THE STEPS

BEFORE YOU BEGIN: Prep those nails! Follow our OPI Lacquer Prep basics. Shake all Lacquer bottles for 30-60 seconds to blend ingredients prior to application. Apply a coat of Infinite Shine Gel-like Base Coat. Allow to dry for 1-2 minutes.

1

Apply a thin coat of Keep Calm & Carry On. Allow to dry for 1-2 minutes. Repeat for coverage.

2

Use a large dotting tool dipped in MillenniYUM to create a large dot on the nail to start the design.

3

Dip a detail brush in MillenniYUM to create curved lines connecting the design to the tip of the nail creating a drip shape.

4

Continue with the detail brush to create additional drips on either side of the nail. Allow to dry for 1-2 minutes.

THE FINISHING TOUCH

Apply a coat of Infinite Shine Gel-like Top Coat. Apply ProSpa Nail & Cuticle Oil to the base of each nail and massage in.
