#### THE "NAIL ART" STEPS

**BEFORE YOU BEGIN:** Prep those nails! Follow our OPI Salon Pro prep basics. Shake all GelColor bottles for 60 seconds to blend ingredients prior to application. Apply one coat of GelColor Super Base Base Coat and cure in the OPI Star Light for 30 seconds.

1

Apply a thin coat of GelColor Happy Play-ce to nails. Cure for 30 seconds in the OPI Star Light. Repeat for coverage.

2

Apply a thin coat of Super Matte Top Coat. Cure for 30 seconds. Remove gel residue with a nail wipe saturated with N.A.S. 99 Cleansing Solution.

3

Dip a stylus in Super Gloss Top Coat and apply raised dots to the nail in various sizes. Cure for 30 seconds. Remove gel residue with a nail wipe saturated with N.A.S. 99 Cleansing Solution.

4

Apply GelColor shades Keep it Surreal and Welcome to Your Whirl to a form back or waxed palette paper. Cure for 30 seconds. Remove gel residue with a nail wipe saturated with N.A.S. 99 Cleansing Solution.

5

Peel the GelColor sheets from the paper and use a flower shaped craft punch to punch out flower shapes. Layer 3 flower shapes together and punch a hole in the center with a stylus. Secure petals together with a drop of Super Gloss Top Coat. Cure for 30 seconds.

6

Use a drop of Super Gloss Top Coat to adhere the flower to the nail. Place a small drop of Top Coat in the center of the flower and apply gold bullion. Cure for 30 seconds.

#### THE FINISHING TOUCH

Apply ProSpa Nail & Cuticle Oil to the base of each nail and massage in.
