THE STEPS

BEFORE YOU BEGIN: Prep those nails! Follow our OPI Lacquer prep basics. Apply one coat of Natural Nail Base Coat and allow to dry.

1

Apply a coat of Nail Lacquer Bubble Bath. Allow to dry. Repeat for coverage if desired.

2

Using the brush directly out of the bottle, apply Nail Lacquer Sickeningly Sweet to the tip of the nail to create a french manicure.

3

Using a dotting tool and Nail Lacquer Shaking My Sugarplums, apply irregular spots of color to create the leopard print. Allow to dry.

4

Using a detail brush and Nail Lacquer Put On Something Ice, outline the leopard spots. Allow to dry.

DIY TIP

Use a clean up brush dipped in Expert Touch Lacquer Remover to clean any lacquer from the skin.

DIY TIP

Customize your OPI Designscape by alternating this design with solid colors Shaking My Sugar Plums and Sickeningly Sweet or play with texture and use Matte Top Coat.

THE FINISHING TOUCH

Apply one coat of Nail Lacquer Top Coat. Allow to dry. Apply ProSpa Nail & Cuticle Oil to each cuticle and massage in.
