THE "NAIL ART" STEPS

Prep nails using our lacquer prep basics. Gently roll each lacquer bottle between your hands for 30-60 seconds to fully blend the formula. Apply one coat of Gel-like Base Coat and allow it to dry for 1-2 minutes.

1

Apply a thin coat of Louvre Me Louvre Me not. Allow to dry for 1-2 minutes.

2

Apply a second thin coat of Louvre Me Louvre Me Not. Allow to dry for 1-2 minutes.

3

Tear a small piece of a new makeup sponge. Apply My Private Yacht to the torn edge and gently tap around the nail's perimeter to create a distressed frame. Remove excess off skin with Expert Touch Lacquer Remover and a clean-up brush.

THE FINISHING TOUCH

Apply a coat of Gel-like Top Coat and allow to dry, then add Glow Up Nail & Cuticle Oil to the base of each nail and massage in.
