#### THE "NAIL ART" STEPS

**BEFORE YOU BEGIN:** Prep those nails! Follow our OPI Lacquer prep basics. Shake all Lacquer bottles for 30-60 seconds to blend ingredients prior to application. Apply one coat of Natural Nail Base Coat. Allow to dry for 1-2 minutes.

1

Apply a thin coat of Nail Lacquer Mimosas for Mr. & Mrs. Allow to dry for 1-2 minutes.

2

Dip a small piece of cosmetic sponge or a sponging tool into Pose-in Ivy and dab the color onto a section of the nail, as the color disperses start to fade the color out from the center. Allow to dry for 1-2 minutes.

3

Continue applying color with a sponge to build color intensity. Allow to dry for 1-2 minutes.

4

Repeat the step using Blue Them All Away, applying only to the center of the Pose-in Ivy sponging, followed by a thin layer of Bare My Soul to the entire nail to soften the edges of the design. Allow to dry for 1-2 minutes.

#### THE FINISHING TOUCH

Apply a coat of OPI Top Coat and allow to dry. Apply ProSpa Nail & Cuticle Oil to the base of each nail and massage in.
