1

Apply a coat of Nail Lacquer Chill 'Em with Kindness. Allow to dry. Repeat for coverage.

2

Using a detail brush and Nail Lacquer Blame the Mistletoe create a half circle on one side of the tip of the nail. Allow to dry.

3

With a detail brush and Nail Lacquer Five Golden Flings apply a triangle of color at the tip. Create an additional triangle with Put On Something Ice on the opposite side of the nail. Allow to dry.

4

Using a detail brush and Nail Lacquer Black Onyx/ Lady in Black outline the circle and create additional half circles inside the circle creating a rose. Outline each triangle. Allow to dry.

DIY TIP

Customize your OPI Designscape by alternating this design with solid colors Blame the Mistletoe and Put On Something Ice or layering glitter over color.
