

PRO Nail Lacquer Removal

For OPI Iconic Nail Lacquer, Nature Strong Natural Origin Lacquer, and Infinite Shine Long-Wear Lacquer

Lacquer removal made easy. Swipe away even the darkest shades with Expert Touch Lacquer Remover!

PRODUCTS USED

Expert Touch Nail Wipes
Expert Touch Lacquer Remover

Optional:
ProSpa Nail & Cuticle Oil
Expert Touch Remover Wraps
(remove stubborn glitter with ease)

PRO TIP

For stubborn glitter or difficult to remove effects, replace the nail wipe with an Expert Touch Remover Wrap saturated with Expert Touch Lacquer Remover. Saturate the built-in cotton pad with remover, wrap nails and let sit for 5 minutes. Apply pressure to the top of the wrap and slide off, away

STEPS

1
Optional: For dry skin or darker lacquer shades apply a drop of ProSpa Nail & Cuticle Oil to the base of each nail and massage in.

2
Saturate a Nail Wipe with Expert Touch Lacquer Remover and place on the nail, holding for several seconds before swiping color away from the cuticle.

3
Repeat as needed, changing out Nail Wipe every 2-3 nails until all lacquer is removed.

4
Wash hands and dry thoroughly.

5
Put OPI nail systems on repeat!
