Powder Perfection Clear Color
Set Powder
N.A.S. 99 Cleansing Solution

Expert Touch Nail Wipe
ProSpa Nail & Cuticle Oil
Detail brush
Clean up brush
Cosmetic brush

THE STEPS

BEFORE YOU BEGIN: Prep those nails! Follow our GelColor prep basics.

Apply one coat of GelColor Stay Strong or Stay Classic Base Coat and cure for 30 seconds in an OPI LED Light.

1

Apply 2 coats of Machu Peach-U. Cure each coat for 30 seconds.

2

Apply a coat of GelColor Stay Shiny Top Coat. Cure for 30 seconds. Cleanse with N.A.S. 99 Cleansing Solution and an Expert Touch Nail Wipe.

3

Using a detail brush, apply GelColor My Me Era on the top right corner of the nail near the cuticle, pulling towards the center of the nail. Continue to apply sections of color, creating small ombre fades using Lookin' Cute-icle, Pricele\$\$ and, I Can Buy Myself Violets. **DO NOT CURE.**

4

Apply Powder Perfection Clear Set Powder over the uncured GelColor, and cure for 30 seconds. Use a clean cosmetic brush to remove any excess powder after curing.

THE FINISHING TOUCH

Apply a coat of GelColor Stay Shiny Top Coat. Cure for 30 seconds. Cleanse with N.A.S. 99 Cleansing Solution and an Expert Touch Nail Wipe. Apply ProSpa Nail & Cuticle Oil to the base of each nail and massage in.
