KIDS PARTIES

WHITE CITY

NOT JUST FOR GROWN UPS.

Our kids party packages take the stress out of party planning with food, drinks, games and lots of party extras included.

Our unique technology means there is no trouble keeping score and the children can focus on having fun with their very own course captain who will guide them around the course – all whilst you put up your feet and enjoy a drink or two (soft or alcoholic, we won't judge).

Our kids menus are designed with young taste buds in mind and we can cater to all dietary requirements. Plus why not make the day extra special with our giant cupcake?

Simply pick your package and call our team today on **020 3912 9400** and we'll do the rest for you.
