WHAT IS PUTTSHACK?

Puttshack is the world's first and only tech-infused mini golf experience. We have reimagined social entertainment for all generations and are the universal answer to the question "where should we get together?".

THE EXPERIENCE

At Puttshack, we're all about bringing people together - through music, playful banter, and the making of new memories. It's where Instagramable LED lights meet nostalgic games that everyone will enjoy.

Whether celebrating a social or corporate event, we've got an expert sales team here to help plan. Our game faces are on, bar stocked, and kitchen is fired up...we're ready for you!

THE GAME

Puttshack's courses are both interactive and highly competitive. The real MVP of Puttshack's point-scoring game is our proprietary Trackaball™ technology. Say goodbye to old-fashioned scorecards and pencils (and your days of cheating), our golf balls keep track of every hazard, bonus point, and stroke.

THE FOOD & DRINK

From first sip to the very last bite, our guests are on a journey of upscale flavors. Puttshack's menu has dietary-inclusive options that please everyone. Whether you're looking to channel your adventurous side, craving an upscale twist on familiar flavors, or are wanting something more nostalgic, our food & drink menu has it all!

PLANNING YOUR EVENT

Booking an event is the best way to make the most of your Puttshack experience if you've got a group of 13 or more!

Every event includes:

- 1 Game of Mini Golf
- Reserved Area/Seating
- Choice of Menu
- Event Ambassador Team

Sales Manager Support:

Your Sales Manager will handle the details - from scheduling the game(s), to team registration, to food and drinks - both before and on the day of your event.

We kick things off in your reserved space, where you and your party will be greeted by your event team, with the spread you selected.

- This area is yours for the duration of your event!
- While food is not permitted on the course, beverages are available during the entirety of the event. We'll assist with drink orders both on and off the course!
- When it's time to play mini golf, your party will break out into groups of up to 6 guests.
- Your Sales Manager can help pre-select teams, our system can randomize your attendee list, or we can do "Player Numbers" for those groups not as competitive!

Too good to be true? We thought you'd say that! The next few pages cover our food and beverage offerings to ensure your guests are satisfied!

Applicable taxes & service fees not included. Minimum revenue spends may be required. Additional restrictions may apply.

SELECT YOUR MENU

What better way to get the party started than with our globally-inspired menu! We already know you'll crave seconds, so food will be replenished for the first hour of the event. We have to make sure you're fueled up for the big game, of course!
