WHAT IS PUTTSHACK?

Puttshack is the world's first and only tech-infused mini golf experience. We have reimagined social entertainment for all generations and are the universal answer to the question "where should we get together?".

THE EXPERIENCE

At Puttshack, we're all about bringing people together - through music, playful banter, and the making of new memories. It's where Instagramable LED lights meet nostalgic games that everyone will enjoy.

Whether celebrating a social or corporate event, we've got an expert sales team here to help plan. Our game faces are on, bar stocked, and kitchen is fired up...we're ready for you!

THE GAME

Puttshack's courses are both interactive and highly competitive. The real MVP of Puttshack's point-scoring game is our proprietary Trackaball™ technology. Say goodbye to old-fashioned scorecards and pencils (and your days of cheating), our golf balls keep track of every hazard, bonus point, and stroke.

THE FOOD & DRINK

From first sip to the very last bite, our guests are on a journey of upscale flavors. Puttshack's menu has dietary-inclusive options that please everyone. Whether you're looking to channel your adventurous side, craving an upscale twist on familiar flavors, or are wanting something more nostalgic, our food & drink menu has it all!

SELECT YOUR MENU

What better way to get the party started than with our globally-inspired menu! We already know you'll crave seconds, so food will be replenished for the first hour of the event. We have to make sure you're fueled up for the big game, of course!
