Education and Discipleship Ministry

Rev. John M. Scholte
Pastor of Christian
Education and
Discipleship

The beautiful tulips on the front of this Course Catalog, not only remind me of my Dutch heritage, but for all of us, should have theological meaning. The acronym T.U.L.U.P. is a part of our Calvinistic perspective and a foundational piece to our Presbyterian tradition. Knowing why this is true, and how it connects to our every day life, is a part of a good Christian education. An education that we are committed to provide, even

during our time of quarantine and COVID-19.

Take some time to review this catalogue and visit our online platform. I think you will find excellent classes that will assist you in growing in your faith.

I am excited to share that we have Dr. Bob Lauer back teaching this semester. His class will premiere on our YouTube channel beginning Sunday September 13th. Part of our Fall Kick-Off event.

Keep an eye out for Scott Wood, Marriage and Family Therapist, who will be leading a live webinar on “Surviving the Pandemic with Your Marriage Intact.” The date and time will be announced later in the semester.

As we do every semester, we have added to our College of the Bible Faculty. Judy Dickey will be teaching a Zoom class on “Rules of Estrangement: Why Adult Children Cut Family Ties.”

These are just a few of the many excellent classes this semester. Don’t forget to fill out an evaluation of the classes you complete. It helps us to continue to build a top-quality ministry, and it is also the way that you can earn “credits,” towards a major or minor, in the College of the Bible.

See you online!

CMCM 100 Rules of Estrangement: Why Adult Children Cut Family Ties

Dates: Starts Tuesday's November 10, 2020

Zoom Class 7:00 – 8:30 p.m.

Text: Rules of Estrangement: Why Adult Children Cut Family Ties, by Dr. Josh Coleman

Instructor: Judy Dickey

A book study and discussion class on a topic labeled by many as a silent epidemic, estrangement can be one of the most disorienting and painful experiences of a parent's life. Dr. Josh Coleman, Oakland psychologist, and one of the leading experts on adult child/parent alienation, is releasing a new book on Nov. 10, "Rules of Estrangement: Why Adult Children Cut Family Ties". Having experienced adult/child estrangement himself with a daughter, he wrote "When Parents Hurt" in 2008. This is a follow-up to that book explaining the many new things he has learned about this syndrome through research and his practice. Dr. Coleman is a well-known speaker and has been interviewed on the Today Show, Good Morning American, PBS, 2020, BBC.

"Rules of Estrangement" is described as a guide for parents whose adult children have cut off contact. It reveals the hidden logic of estrangement, explores its cultural causes, and offers practical advice for parents trying to reestablish contact with their adult children.

If you've experienced alienation, this class will show you are not alone. Please join us. You'll be provided a link for Zoom. Please contact Judy Dickey, class instructor, for Zoom Link. Confidentiality will be of utmost importance.

Books can be pre-ordered through Amazon and other sources. Dr. Coleman's website is drjoshuacoleman.com.

CMBS 100 Ephesians

Dates: Begins September 13, 2010

Video Study (Premiers at 11:00 a.m. Each Sunday Morning on Church YouTube Channel)

Text: Bible

Instructor: Dr. Robert Lauer

Ephesians has been called the Queen of the epistles, the grandest work of St. Paul. The writing is often lyrical, always deeply spiritual, yet eminently practical. We will study the book line by line in this course. Enlightenment and growth are Paul's two foundations for exploring all aspects of the Christian faith and life. He discusses enlightened views of salvation, Christian leadership, the Church, and the Christian life. He offers a deeply moving prayer for growing into wholeness in Christ. The teacher, Bob Lauer, will share with you the way in which a passage in Ephesians was a part of his life-changing conversion experience. And his prayer for you is that the study of this remarkable book will be a life-changing experience for you.

Because Jesus lived in history (there is no doubt about that) and because His life was recorded (the entire Bible is about Him), we can learn about Him. But because He rose from the grave and is now alive, we can have a personal relationship with Him and come to know Him more deeply and intimately.

This class will assist you to grow closer to Jesus - the Beloved Son, the Everlasting Lord, the Promised Messiah, the Sacrificial Intercessor, the compassionate Servant, the Powerful Provider, the Trusted Teacher, the Great I Am, the Selfless Saviour, the Worthy King ...and my Best friend. LifeGroups

What are LifeGroups? The above logo illustrates the concept for our small group ministry called LifeGroups. The cluster of grapes represents a small group or LifeGroup. The many LifeGroups together are a part of the LifeGroup ministry.

While some of these groups of 4 – 12 people meet on the church campus most of them meet in homes which provides the perfect place to connect, build relationships, encourage each other and feel cared for. These groups provide a safe place to share our faith, doubts, and concerns. The topics of discussion vary with each group. Social gatherings around food or local mission projects provide time for fellowship and service that strengthens group interaction.

In addition to ongoing LifeGroups this fall there are several opportunities to participating in a group with a defined time length. If you are new to the small group concept these groups are a great way to meet others without a long-term commitment, although it may develop into one. These groups are geared toward those with common interests.

Currently we are following local and state guidelines regarding gatherings and COVID-19. When possible, we meet on campus or in homes etc.

“I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing.” - John 15:5

Kathy Wesley, LifeGroup Coordinator

“LifeGroups are a vital part of church connections, reaching out to members and keeping them in the loop, letting them know the church is still here to help.”

Short term, or mini-LifeGroups, are also an option. Here are some new opportunities coming this Fall:
