

The Namely Exchange

Featuring Employee Benefits from Cigna

The modern workplace is diverse, fast-paced, and competitive. That's why Namely and Cigna teamed up to build Namely Exchange, an intuitive online marketplace that lets your people shop from a menu of medical, dental, and ancillary benefits plans. With the Namely Exchange, all of your employees can find the benefits package that meets their unique needs and preferences. That makes for happier, healthier employees—and that's what really allows your company to stay ahead.

Employee Benefits Offered on the Namely Exchange

Medical

Dental

Vision

Short Term Disability

Life Insurance

Critical Illness

Accidental Injury

Long Term Disability

How the Namely Exchange Works

Browse

Browse a variety of competitive, pre-built medical, dental, and ancillary benefits products from Cigna.

Design

Design the right mix of plans to offer your people, including up to 5 options for health insurance.

Choose

Employees choose plans online in Namely, where they'll find an intuitive shopping experience.

Automate

Employee elections are automatically sent to Cigna, and benefits deductions automatically feed into Namely's payroll.

See how the Namely Exchange can make your benefits more flexible, intuitive, and competitive. Schedule your free demo today.
