

NetSuite + Namely

The Leading Cloud-Based ERP/Financial System for Mid-Sized Companies

- Trusted by more than 24,000 organizations.
- Most widely deployed ERP worldwide.

The Leading All-in-One HR, Payroll, and Benefits Platform for Mid-Sized Companies

- Over \$2.5B in payroll processed annually.
- Ranked #1 brand in HCM market in 2016.

“Integration between NetSuite and Namely breaks down the barriers between payroll, HR, and financials and ERP—and makes for a smooth user experience.”

—Guido Haarmans, SVP of Business Development at NetSuite

NetSuite and Namely integrate financials and HR for mid-sized companies.

Current
