

The Hard Driver live experience overwhelms the crowd with a mind-blowing show. The sound contains the blend of straight forward Hardstyle and rough dance floor bangers. The deep melodies, catchy vocals and hard pounding kicks turn this live set into the most accelerated time slot in any line-up. The mask with a multi-colour led 'grin' exposes

the rougher side of Hard Driver. This exclusive musical experience is for the dedicated listeners, that refuse to stand still. On top of the masked appearance, this act can be extended by custom Hard Driver live visuals and suited artwork. Allow your visitors to go on this next level hardstyle trip that will be another outstanding moment on your event!
