PART 2 – Agreement and Indemnity

Agreement

The organisation or person identified in Part 1 of this application (the applicant) undertakes to comply with all requirements, at all times and to ensure that its employees, subcontractors and agents similarly comply with those requirements, whether specified:

- In the filming and photography guidelines and in particular the terms and conditions of filming and photography
- In the security access control requirements on the airside (where applicable); or
- As directed by Sydney Airport's officers, employees or agents.

Following consideration of the application, Sydney Airport may issue written approval to conduct filming or photography of or at Sydney Airport, subject to such limitations or conditions appropriate to the proposed activity. Any limitations or conditions are in addition to, not in substitution for, the attached filming and photography guidelines.

Indemnity

The applicant agrees that it will indemnify and keep indemnified Sydney Airport, its officers, employees and agents, against all damage, expense, loss or liability, including all losses, consequential losses, damages, compensation, costs (being Sydney Airport own or its solicitor's costs), charges, and expenses suffered or incurred in respect of any personal injury (including death) to any person or any damage to any real or personal property, arising in respect of the activities of the applicant, to the extent that is due to any act or omission (whether negligent or otherwise) of the applicant, its employees, subcontractors or agents.

The applicant also agrees to make good any damage, however caused to property during the approved filming, photography and associated activities.
