

28 February 2022

To all airline customers of Sydney Airport Corporation Limited at Sydney (Kingsford Smith) Airport

Variation of Charges from 1 April 2022

Notice issued under clause 8 of the Sydney Airport Conditions of Use

This notice advises airlines of changes to charges to take effect from 1 April 2022. The changes are incorporated in Schedule 5 of the new version of the Sydney Airport Conditions of Use, Version 3.3, dated 1 April 2022 ("Conditions of Use") and any Sydney Airport Conditions of Use signed by Sydney Airport users.

Historically, SYD has undertaken annual security pricing adjustments and true ups. Given significant uncertainties in relation to the timing of border reopenings on traffic levels for International and the impact of the Government security funding mechanism (IASCR), we are undertaking more frequent consultations in 2022. With the end of the IASCR Program, SYD as previously advised, conducted a 2Q22 review of International security charges to minimise risk for all parties and ensure that the security charges best reflect actual passenger volumes and actual costs.

International Security Charges

The following charges will apply for the period **1 April 2022 to 30 June 2022**:

- The Passenger Charge – International Services will decrease by \$10.93 to \$49.76 per passenger (excluding GST) and \$54.74 (including GST); and
- The Shared Airfield Security charge applicable to non-passenger services (including freight, positioning and general aviation operations) will remain unchanged at \$0.25 per tonne (excluding GST) per aircraft movement based on maximum take-off weight (MTOW) and \$0.28 (including GST).

SYD will provide further pricing guidance in May 2022 in relation to the setting of the International Terminal Security charge and International Airfield Security Charge for the period 1 July 2022 to 31 December 2022.

Commencement of Revised Charges

The attached revised Schedule 5 (Version 3.3) of our Conditions of Use is to be taken as the schedule of charges for use of Sydney Airport facilities and services from and including 1 April 2022, unless otherwise specified in commercial agreements between airlines and Sydney Airport.

Schedule 5 (Version 3.3) of the Conditions of Use, together with this notice, represents the official statement of charges. Enclosed is a summary table of these charges.
