SYD
Sydney Airport

Located on the north-eastern section of the main airport beside a busy intersection, this site benefits from considerable passing traffic.

- Currently partly used for valet parking storage but can be vacated at short notice.
- Situated directly to the north of the busy intersection between General Holmes Drive and Ross Smith Avenue.
- Existing access from clockwise traffic on General Holmes Drive, with exit in both directions.
- Strong brand showcase opportunity lends itself to customer-facing businesses.
- Capable of division into smaller lots if desired.
