Sydney Airport farewells long term director

The Hon Michael Lee has informed Sydney Airport that he will not seek re-election at Sydney Airport's 2019 Annual General Meeting after more than 15 years as a Director.

Chairman Trevor Gerber said, "We are truly sorry to see Michael go. His contribution to the Board throughout his tenure as Director has been significant. On behalf of Sydney Airport, I thank him for his dedication and judgement and wish him the very best in his future endeavours."

Sydney Airport will not be appointing a Director to replace Mr Lee because David Gonski joined the Board in October 2018 in anticipation of this step as part of ongoing board renewal.
