The effective changes have been incorporated in Schedule 5 of the new and amended version of the Sydney Airport Conditions of Use, Version 5.3 (**Updated COU**), effective from 1 November 2024 and attached to this notice. The Updated COU is to be taken as the new and amended Updated COU for use of Sydney Airport facilities and services from and including 1 November 2024, unless otherwise specified in commercial agreements between you and Sydney Airport.

In summary, the following charges will apply from 1 November 2024:

- The Runway Charge for Freight Flights applicable to freight movements will increase to \$11.38 per 1,000kg MTOW (excluding GST) and \$12.52 per 1,000kg MTOW (including GST).
- The Transfer Passenger and Transit Passenger Charge will be levied at 100%.

Schedule 5, Version 5.3 of the Updated COU, together with this notice, represents the official notification of amendments to effective charges.
