1 These conditions

- 1.1 These are the conditions under which, subject to any separate variation agreement in writing between you and us, you use our *facilities and services* at the Airport. If you use those *facilities and services* then, subject only to the extent of inconsistency with any such contrary agreement, you accept these conditions.
- 1.2 These conditions take effect from the date of these conditions.
- 1.3 Subject to any contrary requirement under legislation, we may change, replace or waive any of these conditions provided that we have:
- (a) used our reasonable endeavours to consult you (either directly or through *relevant industry bodies*) at least 90 days before we change, replace or waive any conditions; and
 - (b) considered and responded to you in writing (either directly or through *relevant industry bodies*) in relation to any comments or objections you have raised to our change, replacement or waiver; and
 - (c) we give you (either directly or through *relevant industry bodies*) notice in writing at least 30 days before the change is to be effective.

2 Information we require before you use our facilities and services

Note: If you are an existing airport user, you only need to provide us with information that you have not previously supplied, information we specifically request from time to time, or the details of any changes to information you have previously supplied.

- 2.1 Before using our *facilities and services* at the Airport you must give us:
- (a) your name, address and contact details;
 - (b) evidence that you have a security program that meets the requirements of our security arrangements and any relevant requirements under the Aviation Transport Security Act 2004, Aviation Transport Security Regulation 2005 and other *legislation*;
 - (c) evidence that you have in place emergency procedures in connection with all potential threats to passengers, cargo and our *facilities and services* at the Airport at least to the standard required to comply with our Airport emergency procedures;
 - (d) the names, addresses, telephone numbers, facsimile numbers and all other contact details of your key personnel we can contact at any time about emergencies, security, operational or financial matters in connection with you using our *facilities and services* at the Airport;

- (e) upon request, copies of the current certificates of insurance policies you hold that are consistent with the requirements of Schedule 1 and confirmation that these policies will remain current at all times when you are using our *facilities and services* at the Airport;
- (f) ground handling arrangements for operating crew, passengers and cargo;
- (g) arrangements for the removal of stationary aircraft;
- (h) details of the type, registration, configuration and MTOW of each aircraft which you intend to use at the Airport;
- (i) a completed Customer Credit Application form (see Schedule 2); and
- (j) a completed Notification of Aircraft Details form (see Schedule 3) for all your general aviation and other non-regular *public transport operations* aircraft which are likely to be using our *facilities and services* at the Airport.

2.2 SACL request for bank guarantee and top-up bank guarantee:

- (a) We require that you provide us with an unconditional bank guarantee in a form reasonably acceptable to us. This bank guarantee may be for an amount equal to our reasonable estimate of the airport charges you are likely to incur over a 3 month period.
- (b) If SACL requires you to provide a bank guarantee in accordance with clause 2.2(a) then it will be a condition of use that you do so within 21 days from the date SACL notifies you to do so.
- (c) Failure by you to provide a bank guarantee for 21 days or more will become a debt due and payable to SACL.
- (d) SACL may, at any time after you have provided a bank guarantee, require that you provide a top-up bank guarantee. The top-up bank guarantee may be for an amount equal to our reasonable estimate of the airport charges you have incurred over a more recent 3 month period.
- (e) If SACL requires you to provide a top-up bank guarantee in accordance with clause 2.2(c) then it will be a condition of use that you do so within 21 days from the date SACL notifies you to do so.
- (f) Failure by you to provide a top-up bank guarantee for 21 days or more will become a debt due and payable to SACL.

2.3 You must provide us with the details of any changes to the information you have provided in the Customer Credit Application Form within 30 days of such change.

3 Provision of information in relation to charges

3.1 This clause 3 applies where we require information from you for the purpose of calculating charges payable by you for your use of our *facilities and services* at the Airport.

- 3.2 If you use *facilities and services* that are subject to charges based on passenger numbers under Schedule 5 of these conditions, you must use your best endeavours to provide to us at the end of each day on which you use those *facilities and services*, and in the format directed by us, the following:
- (a) the number of Embarking Passengers on your aircraft operating at the Airport on that day;
 - (b) the number of Disembarking Passengers from your aircraft operating at the Airport on that day; and
 - (c) any further disaggregation of passenger numbers we reasonably require to determine charges payable by you under Schedule 5.
- 3.3 Within 7 days of the month in which you used our *facilities and services*:
- (a) you must provide the information required under clause 3.2 if you have not already done so; and
 - (b) you must provide us with details of the type, registration and MTOW of each aircraft which you use at the Airport, if you have not already done so; and
 - (c) if you have provided to us information under clause 3.2 and you detect an error in that information, then you must provide to us the correct information. You must, at the same time, provide to us an explanation of why the original information was incorrect. We will accept the later information as being correct unless we are not satisfied with the explanation provided to support the change.
- 3.4 You acknowledge that we will use the information you provide to us under clauses 3.2 and 3.3 for the purpose of calculating the charges payable by you for using our *facilities and services* at the Airport.
- 3.5 If you do not comply with clauses 3.2 or 3.3, then you agree that we may charge you for use of our *facilities and services* on that day on the basis that each seat on the aircraft operated by you on that day was in fact occupied by a passenger. If:
- (a) you provide the information required under clauses 3.2 and 3.3;
 - (b) we have charged you in accordance with this clause 3.5;
 - (c) you have paid to us those charges; and
 - (d) we believe that we have been overpaid,
- then we will provide to you a refund (without interest) of any amount we calculate to have been overpaid.
- 3.6 You acknowledge that we may verify from time to time information you have provided to us by means including (but not limited to):
- (a) reference to data collected by the Australian Customs Service; and
 - (b) directly counting passengers embarking or disembarking aircraft operated by you.

You will use your best endeavours to assist us to identify the reason for any differences between the information provided by you under clause 3.2 and 3.3 and the information collected by us under this clause 3.6.

- 3.7 If, after the end of a Season, we ask you to do so, you must give us certified statements from your then regularly-engaged independent auditors verifying, for the Season just expired, the accuracy of the information you have previously given to us under this clause 3. You must give us the certified statements within 60 days of the date of our request. Your independent auditors who give us the certified statements must be members of or affiliated with an internationally-recognised, independent accounting firm.

For the purposes of this clause 3.7, 'Season' means, in each year:

- (a) for the Northern Summer season, the period commencing on the last Sunday in March and ending on the last Saturday in October;
- (b) for the Northern Winter season, the period commencing on the last Sunday in October and ending on the last Saturday in March.

- 3.8 You must permit us (or our agents or accountants), on reasonable notice and at reasonable times, to audit, at our expense, your records and systems which relate to the information you must give us under this clause 3.

- 3.9 If:

- (a) the certified statements provided under clause 3.7; or
- (b) an audit by us under clause 3.8,

discloses any error in the information you have given us under clauses 3.2 and 3.3, or:

- (c) you and we agree that the information you have given us under clauses 3.2 and 3.3 was in error after we verify under clause 3.6,

we will immediately invoice you for the charges which you should have paid to us if the information you gave to us under clauses 3.2 and 3.3 was not in error. We will issue our invoice, and you must pay it, in accordance with clause 7.

If the extent of the error in our favour is more than five per cent (5%) of the information actually given to us, then you must reimburse us for the cost of our audit under clause 3.8.

- 3.10 We will use our best endeavours to maintain the confidentiality of any information that you provide to us, which you advise is commercially sensitive, subject to the following:

- (a) we may use the information for the purpose of Airport capacity planning and forecasting (including disclosing the information to our professional advisers on a confidential basis for this purpose);
- (b) we may use the information for aggregation into 'total domestic and regional passenger' or 'total international passenger' data for the

Airport, which we may disclose into the public domain. In using the information for this purpose, we will not release any other data in relation to the Airport which will enable the information you provide to us to be disaggregated from the 'total domestic and regional passenger' or total international passenger' data (unless you consent in writing for us to do so or we are required to do so by law); and

- (c) we may disclose the information if you agree in writing, or if we are required to do so by law.

- 8.2 We will consult with you (either directly or through *relevant industry bodies*) at least 90 days before varying charges.
- 8.3 We may vary the charges for the use of ground power and preconditioned air at any time, without prior consultation, if our energy costs change. We will provide you with written notice of the variation in the charges for the use of ground power and preconditioned air as soon as possible. A variation in the charges for the use of ground power and preconditioned air may be imposed on a retrospective basis if we receive less than 14 days' notice of an alteration from our energy suppliers.

9 If you do not pay on time

- 9.1 If you do not pay the amount you owe on time, you must pay interest on the amount (when we ask for that interest or at the times we tell you it is payable) from and including the day the amount becomes payable to and including the day you pay the amount and all interest accrued on it.
- 9.2 Interest is calculated daily at the *interest rate*.
- 9.3 If you notify us in writing that you dispute any charge shown in an invoice within 7 days of receiving that invoice and in our reasonable opinion you have grounds to dispute it, then the provisions of clause 16 will apply.
- 9.4 In the case of a dispute, any undisputed amounts, or portions, are to be paid within the time required by the invoice.

within 21 days after it is due for payment, or in the case of a bank guarantee or top-up bank guarantee then 21 days from the date SACL requires you to provide a bank guarantee or top-up bank guarantee, we may:

- (e) refuse to allow any or all of your aircraft to use our *facilities and services* at the Airport; and/or
- (f) use reasonable means to detain any of your aircraft until you have paid all due charges and interest provided that:
 - (i) we have first sought to negotiate in good faith any dispute about charges in accordance with 9.3 above;
 - (ii) we have first sought to recover any outstanding charges from you; and
 - (iii) we have given you 14 days' notice in writing either during or after the 21 day period that we intend to do this.

9.6 Unless we give you express written consent, you are not allowed to make any set-off against or deduction from the charges for using our *facilities and services*. This includes, where relevant, any claim for set-off in relation to the bank guarantee and top-up bank guarantee that you have provided to SACL in accordance with clauses 2.2(a) and 2.2(c) respectively.

9.7 We may take any other action against you that the law allows to recover anything you owe us. This includes issuing you with a statutory demand for any debt you owe us which is due and payable for 21 days or more.

10 If you do not comply with these conditions

10.1 In addition to clause 9 we may, subject to our obligations under *legislation*, give you 14 days' notice in writing not to use our *facilities and services* at the Airport if you do not comply with these conditions.

10.2 However, if you do not comply with any safety or security requirements, we may give you notice to comply immediately.

- (a) move an aircraft to another position at the Airport; or
- (b) remove an aircraft from the Airport

at your cost and within a specified time, being a period that we consider, in all the circumstances, to be reasonable.

- (b) you are liable for and indemnify us, our officers, employees and agents against any personal injury, death, loss or damage caused or contributed to by your failure to comply with our order.

12 Airport closed or services unavailable

12.1 We will endeavour to keep our *facilities and services* at the Airport available for you to use, subject to reasonable requirements for operational purposes, maintenance and new development or events beyond our reasonable control.

12.2 If reasonably possible, we will notify you before we make any service or facility at the Airport unavailable. This is subject to clauses 5.3 and 14.2.

12.3 If, at any time, safety or operational maintenance or new development requirements mean that we consider it necessary to declare our *facilities or services* at the Airport to be wholly or partly unavailable for use by you, we will use our reasonable endeavours to identify alternative *facilities and services* which might be available for use by you, but the use of such alternative facilities or services shall be a matter for decision by you. 16.4 You and we are to equally share the cost of the mediation.

16.5 You and we may not seek any other means of resolving the dispute (other than seeking an urgent, interlocutory or interim injunction) until the mediation has taken place.

16.6 Where we are of the view, acting reasonably, that a dispute between you and us is not a genuine dispute, we reserve the right to take any other action against you that the law allows (including exercising our powers under clauses 9 and 10) while in dispute or mediation with you.

SCHEDULE 8

(clause 7.2)

Discounts for New Off-Peak Services

Note: SACL recognises that the introduction of new services requires significant investment by airline customers. SACL may consider assisting customers introducing new services by offering discounts, particularly during off-peak periods.

Prior written requests for discounts set out in these Conditions of Use should be made to the [Chief Financial Officer/Chief Executive] at the address in Schedule 4.

1. New International, Domestic or Regional Services

The Operators of International, domestic or regional RPT services at the Airport may apply to the [Chief Financial Officer/Chief Executive] for discounts for the operation of new services to new destinations or for increased frequencies to existing destinations:

As a guide:

(a) New destinations

A service to a destination not served by that operator from Sydney Airport over the previous three years may, if agreed by SACL, be granted an introductory discount of up to 50% of the Aeronautical Charges referred to in paragraphs 1, 2 and 5 of Schedule 5, or any other charge that may be agreed, during the first 12 months of service; and

(b) Increase frequency

A service that increases the frequency of service to any destination by an operator to a level greater than at any time over the previous three years, may, if agreed by SACL, be granted a discount of up to 30% of the Aeronautical Charges referred to in paragraphs 1, 2 and 5 of Schedule 5, or any other charge that may be agreed, during the first 12 months on those additional services.

2. Positioning, Training and Demonstration flights

SACL will consider discounts for positioning, training and demonstration flights during off-peak periods on a case-by-case basis.

3. Rescheduling existing peak period services

SACL will consider discounts for services being relocated from a peak period to an off-peak period on a case-by-case basis. Discounts will not be granted

for schedule changes resulting from daylight savings time changes either in Australia or an international origin or destination.

In determining whether a discount should be applied in any of the above circumstances, and the level of the discount, SACL will have regard to the net impact on overall Sydney Airport services and off-peak period services by an airline, its parent and/or subsidiaries and, where relevant, its commercial and alliance partners. Code-share arrangements, the extension of existing services and the redirection of existing services will not qualify for discounts unless a clear net gain in Sydney Airport services can be demonstrated.

This Schedule is not intended to confer any right to a discount or to limit the circumstances in which SACL may grant a discount to you or other airlines (including the amount or duration of such discounts). Rather it sets out the circumstances in which consideration will be given to granting a discretionary discount and the indicative amounts of potential discounts. SACL's decision as to whether to grant a discount in any particular case is final.

Discounts will be paid as a rebate at the end of each scheduling season, unless otherwise agreed.
