SYDNEY AIRPORT - T1 STERILE AREA CONDITIONS OF ENTRY

Staff must not enter the Customs Controlled Areas (Sterile Area and Arrivals Concourse) of T1 Sydney Airport, if they are not on duty. Staff may only enter this area in the conduct of normal work. Any misuse of a person's access in accessing these areas may result in the suspension of that person's access for up to 1 month and / or the suspension of their ASIC. Customs Legislation also contains certain provisions that may result in a prosecution of the individual for misuse of their ASIC, or an Exclusion Notice and/or Monetary Penalties.

WHAT IS AN EXCLUSION NOTICE?

An exclusion notice prevents you from entering a Customs Controlled Area for two weeks. To enter the T1 Sterile Area you must:

- Be on duty
- Use for work purposes only
- Not interfere with passengers
- Be authorised for that area
- Ensure that you are correctly displaying your valid ASIC
- Submit yourself and your goods to screening (unless exempt)
- Ensure that you do not carry any prohibited items into the Sterile Area
- If you are escorting a visitor, ensure that they remain with you at all times and that the purpose of the visit is work related.
- Not purchase goods from stores in the T1 Sterile Area

WHAT DOES THIS MEAN FOR YOU?

It could mean that you are unable to access the areas required to perform your duties.

Commonwealth Legislation allows staff with genuine reasons to access these areas. This does NOT apply to autograph and photo hunters, or airport staff greeting or farewelling friends or family, and certainly not window- shopping in the duty free shops. Staff are not permitted to purchase goods or food items from the Sterile Area. (Some exemptions apply to food for staff who work full time within the Sterile Area).

It is important that all arriving travellers are able to clear all formalities before mixing with anyone. In brief, the following points should be noted.

- Do not enter Customs Controlled Areas unless in the course of your employment.
- Do not interfere with passengers or their luggage at any time.

ASIC – NON PERMITTED USE

- Do not use someone else's ASIC
- Do not damage or deface your ASIC
- Do not use your ASIC for any purpose other than for work purposes
- You must NOT meet, greet or farewell friends or relatives AT ANY TIME while in a Secure Area. Breaches may lead to prosecution.
- Staff are not permitted to enter the Departures area ('Sterile Area') unless they are on duty, and the access is for a work-related purpose. For example, farewelling friends and relatives is not a work-related purpose.
- Likewise, staff are not permitted to enter the Arrivals area or the Baggage Claim area unless they are on duty, and the access is for a work-related purpose. For example, meeting friends and relatives is not a work-related purpose.

If you refuse to undergo any of these screening processes you will be refused entry and your VIC will be removed from you. You may be subject to prosecution.
