

InfoSYD Portal is Sydney Airports website for Airlines, Partners and Workers to get the latest information and access to applications about working at the airport from a single secured location. Below are the steps for requesting access to the Planning Tool after initial access has been granted to the portal:

<https://www.sydneyairport.com.au/infosyd/auth/login>

1. Once logged into the portal, click “Settings” from the menu.

2. Click “Applications” to display the options. Locate the “Airport Planning Approvals” and click “Apply”.

3. Add a reason for needing access to the application and your telephone number. If you are located outside New South Wales, please add your area code.

Planning Consent Application

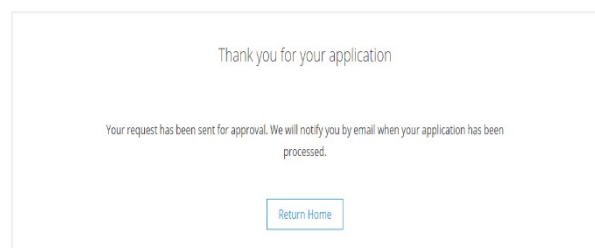

We would be grateful if you could tell us the reason you are requesting access. Once you have done so your request will be sent for approval.

Reason for application

Phone number (No area code required)

[Request Access](#)

4. A confirmation will be presented on screen to acknowledge your request.

5. Upon completion a confirmation email will appear in your inbox and an application tile will display in your portal.
