

#### PLANE SPOTTING INFORMATION

- To make the most of your plane spotting, use an such as FlightRadar24 to see where the planes are landing and taking off from on your visit

#### 1 Shep's Mound

- Recently renovated by Sydney Airport, Shep's mound has two elevated areas, a carpark and grassy areas to sit almost directly under the air traffic control tower
- Best before the sun lowers
- Follow Ross Smith Ave from Domestic Terminal or General Holmes Dr towards the control tower

#### 2 Lady Robinson's Beach

- A great viewing spot very close to the runway 16R/34L
- From General Holmes Dr take the loop road towards Kyeemagh Ave. Look for the old control tower which is brick and glass

#### 3 Barton Park Hill

- Best viewing of the planes coming to land before the airport boundary
- Heading along West Botany St, turn left in Barton Golf Course opposite Spring St and follow to the end

#### 4 Runway 16R Landing

- Most International aircrafts land on this runway
- 10min walk from the domestic terminal
- Best viewing time from 6am-11am
