

# BASIC BALANCER

Concentrated pellet, rich in vitamins and minerals

Basic Balancer is a balanced pellet that can be used in two ways. As a complete supplement to roughage when your horse/pony has sufficient energy or tends to be overweight. As a supplement when only a limited amount of concentrated feed or a single feed is given. The pellet delivers the necessary vitamins, minerals and essential amino acids. In addition to grains, give your horse 1.0 - 1.5 kg of this corrector per day (for a 500 kg horse) to ensure the horse takes in sufficient vitamins, minerals and essential amino acids.

| NUTRIENTS                | UNIT      |
|--------------------------|-----------|
| Crude protein            | 15.5 %    |
| Crude fat                | 4 %       |
| Crude fibre              | 11 %      |
| Crude ash                | 20 %      |
| Calcium                  | 35 gKg    |
| Phosphorous              | 9.5 gKg   |
| Magnesium                | 11 gKg    |
| Sodium                   | 18.5 gKg  |
| Vitamin A                | 60000 IEk |
| Vitamin D3               | 7500 IEk  |
| Vitamin E                | 800 mgK   |
| Vitamin C                | 200 mgK   |
| Biotin                   | 1.6 mgK   |
| Iron sulphate            | 200 mgK   |
| Anhydrous calcium iodate | 2.5 mgK   |
| Cobalt carbonate         | 1.5 mgK   |
| Copper sulphate          | 100 mgK   |
| Manganese sulphate       | 190 mgK   |
| Zinc sulphate            | 400 mgK   |
| Sodium selenite          | 1.3 mgK   |
| L-selenomethionine       | 0.4 mgK   |
| Vitamin B1               | 12 mgK    |
| Vitamin B6               | 12 mgK    |
| Vitamin B12              | 0.15 mgK  |
| Vitamin B2               | 20 mgK    |
| Sugar                    | 5,5 %     |
| Starch                   | 18,5 %    |

## Instructions

Give 0.2 to 0.3 kg / 100 kg BW in addition to a min. of 1.2 kg roughage / 100 kg BW.

Use as a balancer by giving 1.0 - 1.5 kg per day in addition to roughage or alongside simple grains and sufficient roughage.

Bulk

Bagged goods 25 kg

Big bag

Prebiotics (inulin from chicory pulp)

## Composition

Wheat feed - Alfalfa - Linseed flakes - Calcium carbonate - Field bean hulls - Sodium chloride - Sugar cane molasses - Maize germ meal - Toasted soybeans - Dried chicory pulp
