**Vital Cube**

**EQUIFIRST**  
*feeding your dream*

*Vital Cube is a pellet without oats, specifically developed for sports and recreational horses and ponies. This pellet contains all the necessary vitamins, minerals and trace elements and offers the perfect solution for horses with a normal to heavy workload.*

This flaked mix contains top quality ingredients:

#### Oat hulls

Oat hulls are rich in fibre. This contributes to good digestion.

#### Linseed

Linseed is a source of omega-3 fatty acids that is very beneficial to the overall health of the horse.

#### Premix

High-quality vitamins, minerals and trace elements in adequate dosage.

#### Organic selenium

Organic selenium is part of the antioxidant family and is in a form that is easily assimilated by the body.

#### Sodium bicarbonate

Sodium bicarbonate is a powerful acid neutraliser.

#### Sodium bicarbonate

Sodium bicarbonate is a powerful acid neutraliser.

Iodine (mg/kg)	0.6

## HOW TO USE

To be fed at a rate of 0.7 to 1 kg per 100 kg of body weight per day. To be adjusted depending on the breed, the intensity of work and the quality of the roughage. The feed must always be supplemented with good quality, free-choice roughage. The horse must always have access to clean and fresh water. Always store the feed in a cool, dry place away from light.
