EQUIFIRST
feeding your dream

Balance Cube is a pellet specially developed to balance a grain ration or to supply regular rations with extra vitamins. This tasty pellet is particularly rich in vitamins, minerals and trace elements.

This flaked mix contains top quality ingredients:

Premix

High-quality vitamins, minerals and trace elements in adequate dosage.

Organic selenium

Organic selenium is part of the antioxidant family and is in a form that is easily assimilated by the body.

Vitamin C

Vitamin C protects against cell ageing. It is essential for immune system functioning and increases the assimilation of iron of plant origin.

Sodium bicarbonate

Sodium bicarbonate is a powerful acid neutraliser.

HOW TO USE

Mix Balance Cube in a proportion of between 30% and 50% with cereal grains. The mix obtained can be fed at a rate of 0.7 to 1 kg per 100 kg of body weight per day. To be adjusted depending on the breed, the intensity of work and the quality of the roughage. The feed obtained must always be supplemented with good quality, free-choice roughage. The horse must always have access to clean and fresh water. Always store the feed in a cool, dry place away from light.

INDICATIVE NUTRITIONAL VALUES

UFC/kg	0.85
DE horse (MJ/kg)	10.8
DCP horse	9.5
Ewpa	0.85
Crude protein (%)	13
Crude fat (%)	4.5
Crude fibre (%)	7.5
