VITALBAR GRAIN-FREE

Vitalbar Grain-free is for pasture horses, horses that only receive roughage or those that can use an extra health boost. Easy to dispense individually, even out of the hand. One bar per day is enough for a 600 kg horse. Each bar helps fulfil the daily requirements for vitamins, minerals and trace elements and has a high fibre content, a low energy content and is completely grain-free. Furthermore, these bars contain other extras, such as nettle and seaweed, that support the health of your horse.

- For **all horse breeds**
- Formulated **without grains**

NUTRITIONAL ADVICE:

For horses between 200-300 kg: **1/2 bar per day**

For horses between 300-600 kg: **1 bar per day**

Unlimited roughage supplementation.
