

COACH'S CODE OF ETHICS

I will place the emotional and physical well being of my players ahead of a personal desire to win.

I will treat each player as an individual remembering the large range of emotional and physical development for the same age group.

I will remember that players play to have fun and that by giving them the opportunity to improve their skills, they will gain confidence in themselves and develop self-esteem.

I will ensure that my players are provided with a safe playing situation.

I will do my best to organize practices that are fun and challenging to all my players and will teach my players to play fairly and to respect the rules, officials and opponents.

I will lead by example in demonstrating fair play and sportsmanship to all my players and will encourage them to be team players.

I will be generous with praise when it is deserved; I will be consistent and honest, fair and just. I will refrain from publicly criticizing individual players and will learn to be a more effective communicator and coach.

I will remember that players need a coach that they can respect. I will be a positive role model to my players and display emotional maturity.

I will strive to upgrade my coaching skills. I will remember that as a minor hockey coach, the game is for the players, not the parents.

I agree to uphold the Coach's Code of Ethics.
