

## **MAGNA CARTA FIELD ARCHERS**

Autumn One Arrow Shoot  
November 19th 2017

Our annual Autumn One Arrow Challenge has proved to be firm favourite in the NFAS shoot calendar.

On a frost morning 70+ archers turned out and tackled the drive up the hill to the car park to be rewarded by a welcoming fire, hot food and drinks courtesy of Claire, Paul, Anne and Barbara.

Once shooting got underway on the course of 38 x 3D's, cunningly placed by Bernie and Terry, the sun came out and it was smiles all round.

The course sported some brand new 3D's (purchased to replace those stolen earlier in the year) and the challenging terrain, low sun and tricky positions all provided the challenge our visitors have come to expect at Magna Carta.

The usual raffle was held and a get well card signed by many archers for Wally who was taken very ill at a Co:60 shoot the previous day. We all wish him a speedy recovery.

Once again thanks go to the course team and their helpers and also to the refreshment team for the endless supply of bacon, burgers and cake.

Our shoots for 2018 can be found on our website and also the NFAS shoot list.
