Vital Grain

EQUIFIRST
feeding your dream

Vital Grain is a mix of whole grains and pellets enriched with vitamins, minerals and trace elements for explosive performances. The Vitamin E and organically-bonded Selenium ensure more rapid recovery of muscles following major exertions. The added yeast supports the digestive system.

This flaked mix contains top quality ingredients:

Antioxydants

Vitamin E and organic Selenium support muscle recovery after an effort.

Organic selenium

Organic selenium is part of the antioxidant family and is in a form that is easily assimilated by the body.

Whole grains

Blend of black and white oats, corn, barley and wheat. These grains contain a substantial amount of starch and provide a lot of energy.

Cereal corrector

Enriched with vitamins, minerals and trace elements, this corrector allows for a good balance between the different nutrients in the ration.

Yeast

Yeast ensures optimal efficiency of the total feed: it contributes to the digestion of crude cellulose, the absorption of minerals and the production of B Vitamins.

HOW TO USE

To be fed at a rate of 0.7 to 1 kg per 100 kg of body weight per day. To be adjusted depending on the breed, the intensity of work and the quality of the roughage. The feed must be supplemented with good quality, free-choice roughage. The horse must always have access to clean and fresh water. Always store the feed in a cool, dry place away from light.

INDICATIVE NUTRITIONAL VALUES

UFC/kg	0.93
DE horse (MJ/kg)	12
DCP horse	8
Ewpa	0.93
Crude protein (%)	10
Crude fat (%)	4
Crude fibre (%)	6.5
Crude ash (%)	6
Sugar (%)	2.5
Starch (%)	43
Lysine (gr/kg)	3.7
Methionine (gr/kg)	1.8
Vitamins (/kg)	
Vitamin A (IU/kg)	20000
Vitamin D3 (IU/kg)	3000
Vitamin E (mg/kg)	400
Vitamin B1, B2, B6, B12, K3	✓
Biotin (µg/kg)	480
Omega-3 (gr/kg)	1.2
Minerals and trace elements (/kg)	
Calcium (%)	0.9
Phosphorus (%)	0.4
Sodium (%)	0.5
Magnesium (%)	0.35
Manganese (mg/kg)	58
Copper (mg/kg)	30
Iron (mg/kg)	144
Zinc (mg/kg)	144
Cobalt (mg/kg)	0.4
Organic selenium (mg/kg)	0.1
Selenium (mg/kg)	0.4
Iodine (mg/kg)	0.7
