What are my obligations?

To avoid the policy being cancelled and claims being reduced or refused, you must:

When taking out this policy

- Provide the insurer with relevant, true and complete information allowing the insurer to underwrite the policy;
- Provide the insurer with supporting documents when requested;
- Pay the premium in full.

Once the policy is in effect

- The insured must tell the insurer as soon as possible of any changes that arise and that may affect the cover.

In the event of a claim

- The insured must contact the insurer to make the claim immediately after an event arises, in accordance with the terms and conditions and provide the insurer with all supporting documents enabling them to process the claim;
- Inform the insurer in case of dual insurance and tell the insurer if the insured has received payment from another insurer for all or part of the claim.

When and how do I pay?

You will need to pay your policy premium in full in order for cover to apply. All cover will end if payment is incomplete or rejected, or if the policy is cancelled.

The premium can be paid using one of the payment options given to you by the seller of this insurance.

When does the cover start and end?

The start date and end date of your insured trip is stated on your insurance confirmation.

Cancellation cover begins on the issue date shown on your insurance confirmation and ends when the first part of your pre-paid arrangements (e.g. transport or accommodation) begins.

How do I cancel the contract?

If your cover does not meet your requirements, please notify TUI within 14 days of paying your premium and receiving your insurance confirmation.

Your premium will be refunded unless you are less than 2 weeks before your departure date, you have made a claim, or intend to make a claim, in which case no refund will be due.

If the period of insurance is 1 month or less, your cancellation rights are no longer valid after this initial 14 day period.

If the period of insurance is more than 1 month you will still be able to terminate the insurance until the coverage expires with a 1 month notice period. You will only receive a refund of the premium you have paid for the remaining days after your notice period has ended.
