

# EXPAND

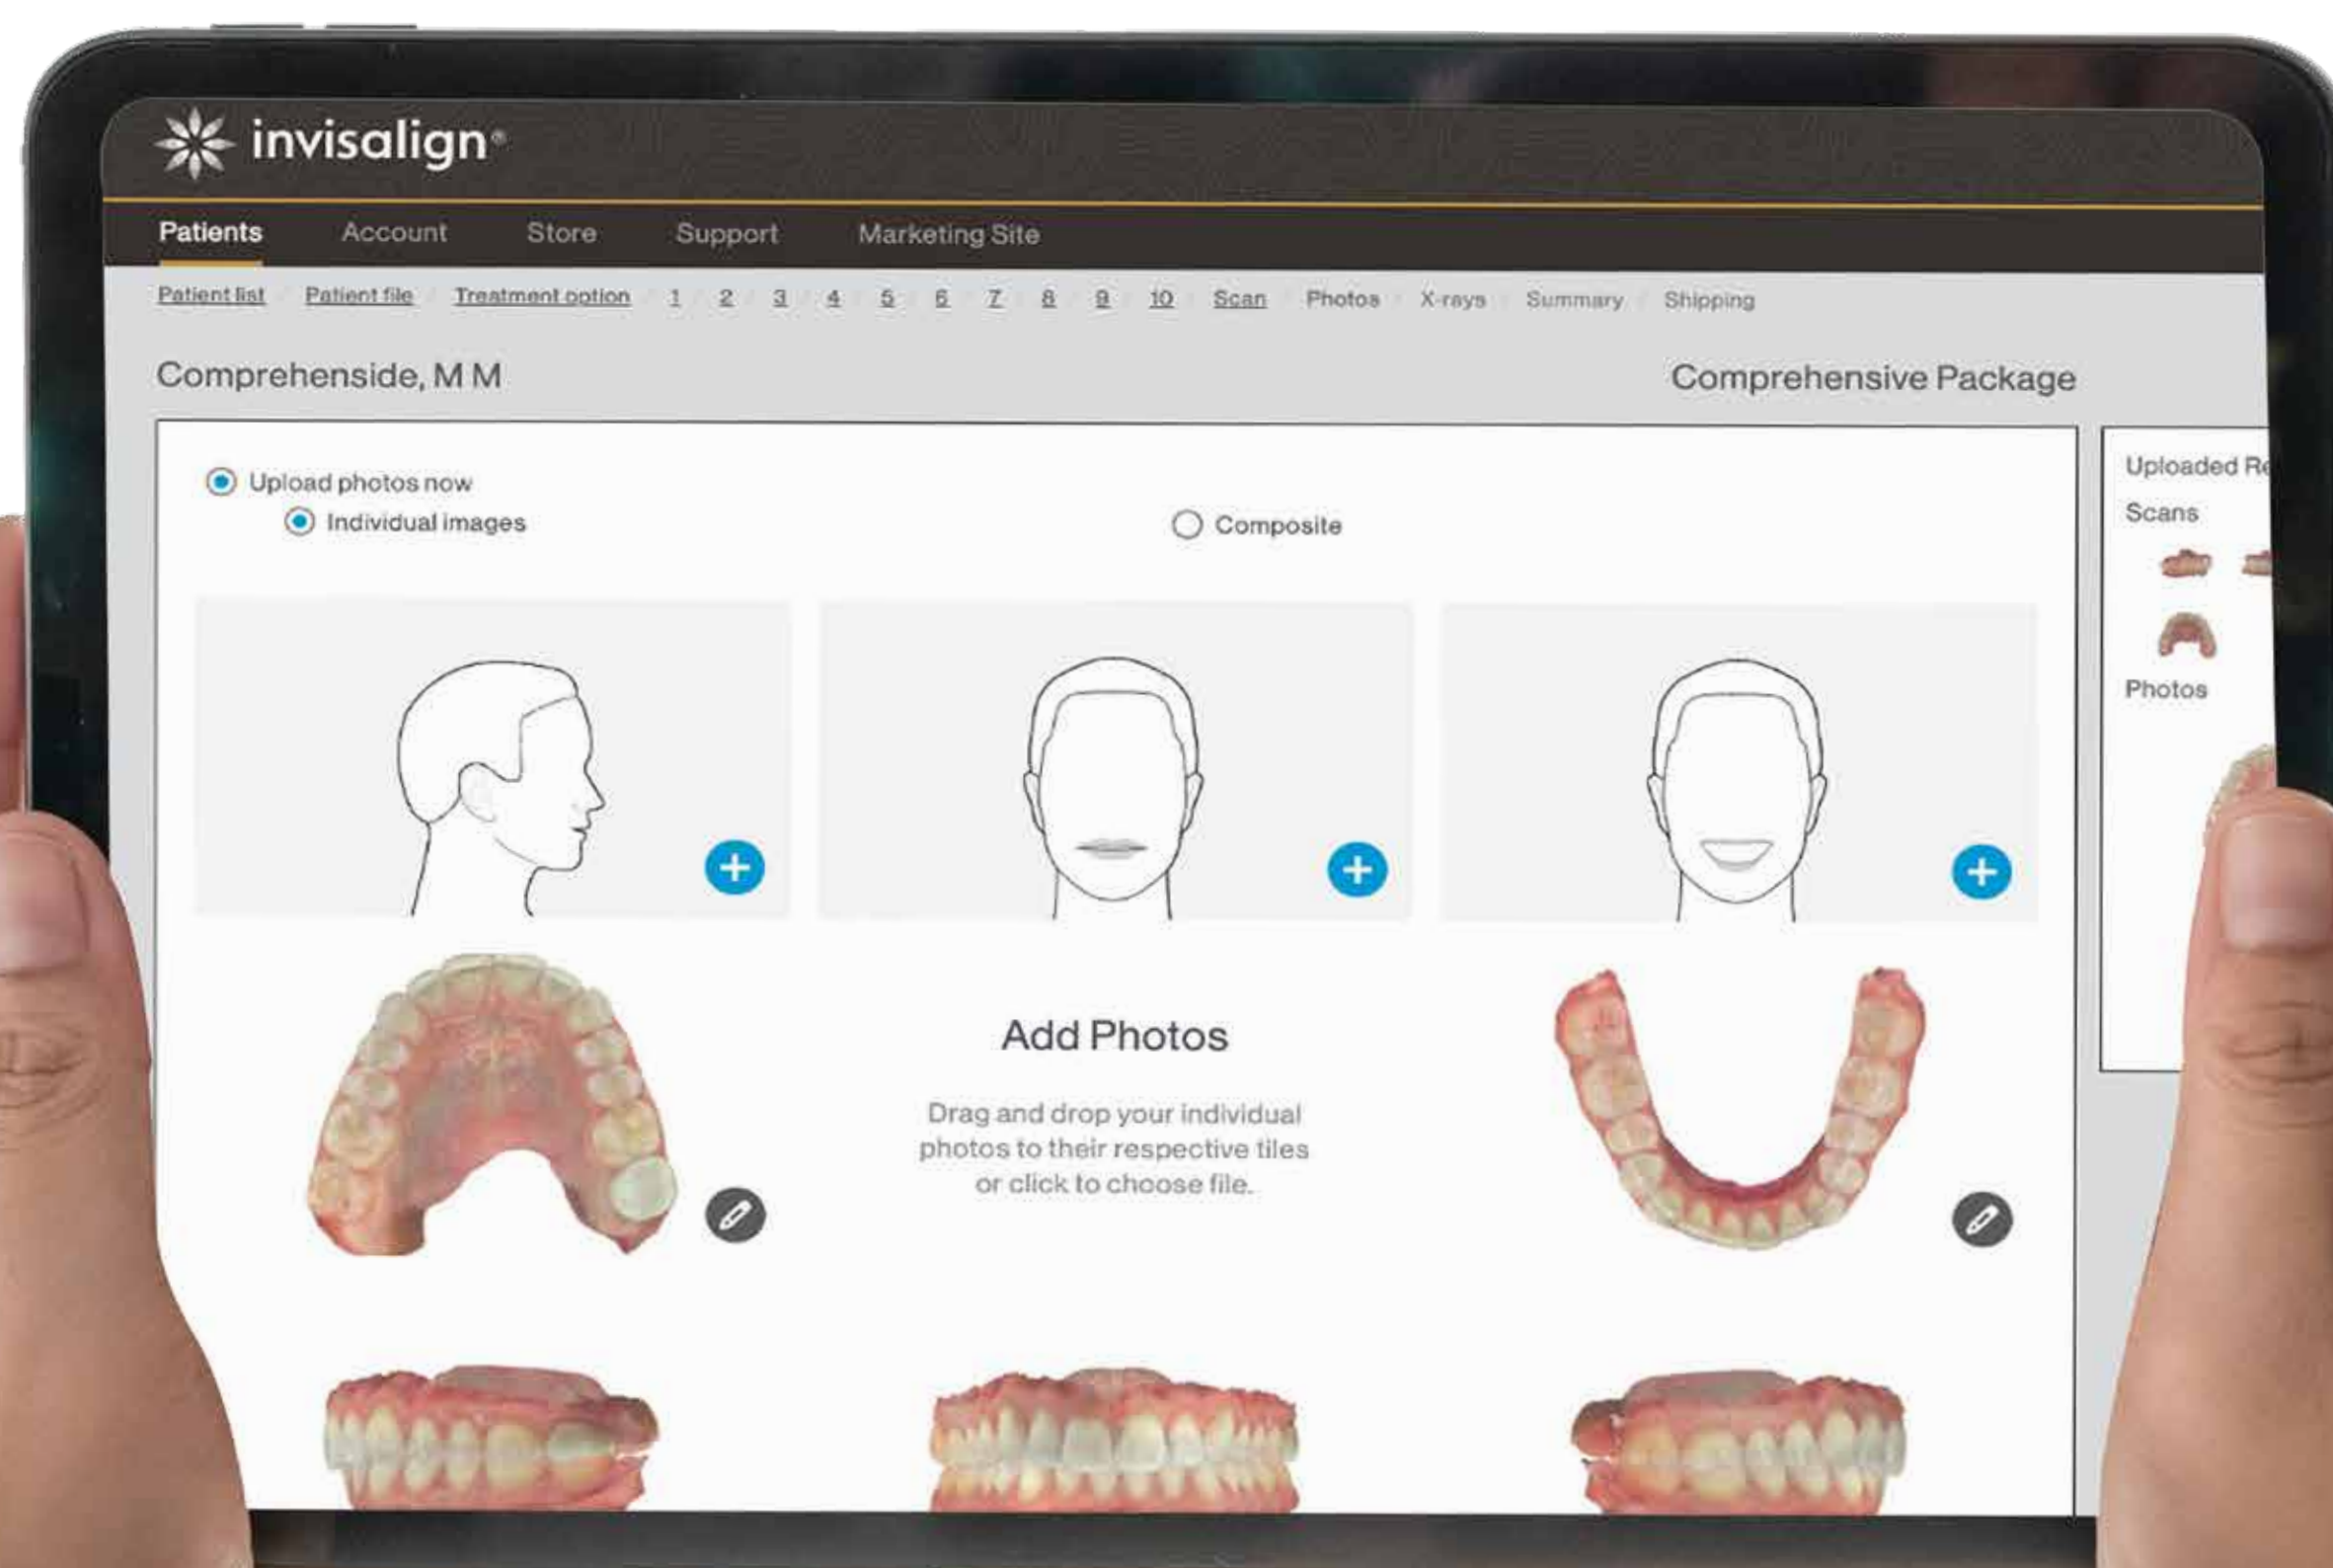

your efficiency with streamlined  
Invisalign case submissions

it starts with **iTero**

# Introducing the new iTero Element 5D **auto-upload functionality.**

Easily submit Invisalign cases without the need for intraoral photos.

**New auto-upload feature: Available Q3 2021.**

**iTero Element 5D scans will  
automatically upload into Invisalign  
Doctor Site prescriptions.**

Streamlining Invisalign  
submissions<sup>1</sup>

Increasing practice  
productivity

Providing a more comfortable  
patient experience

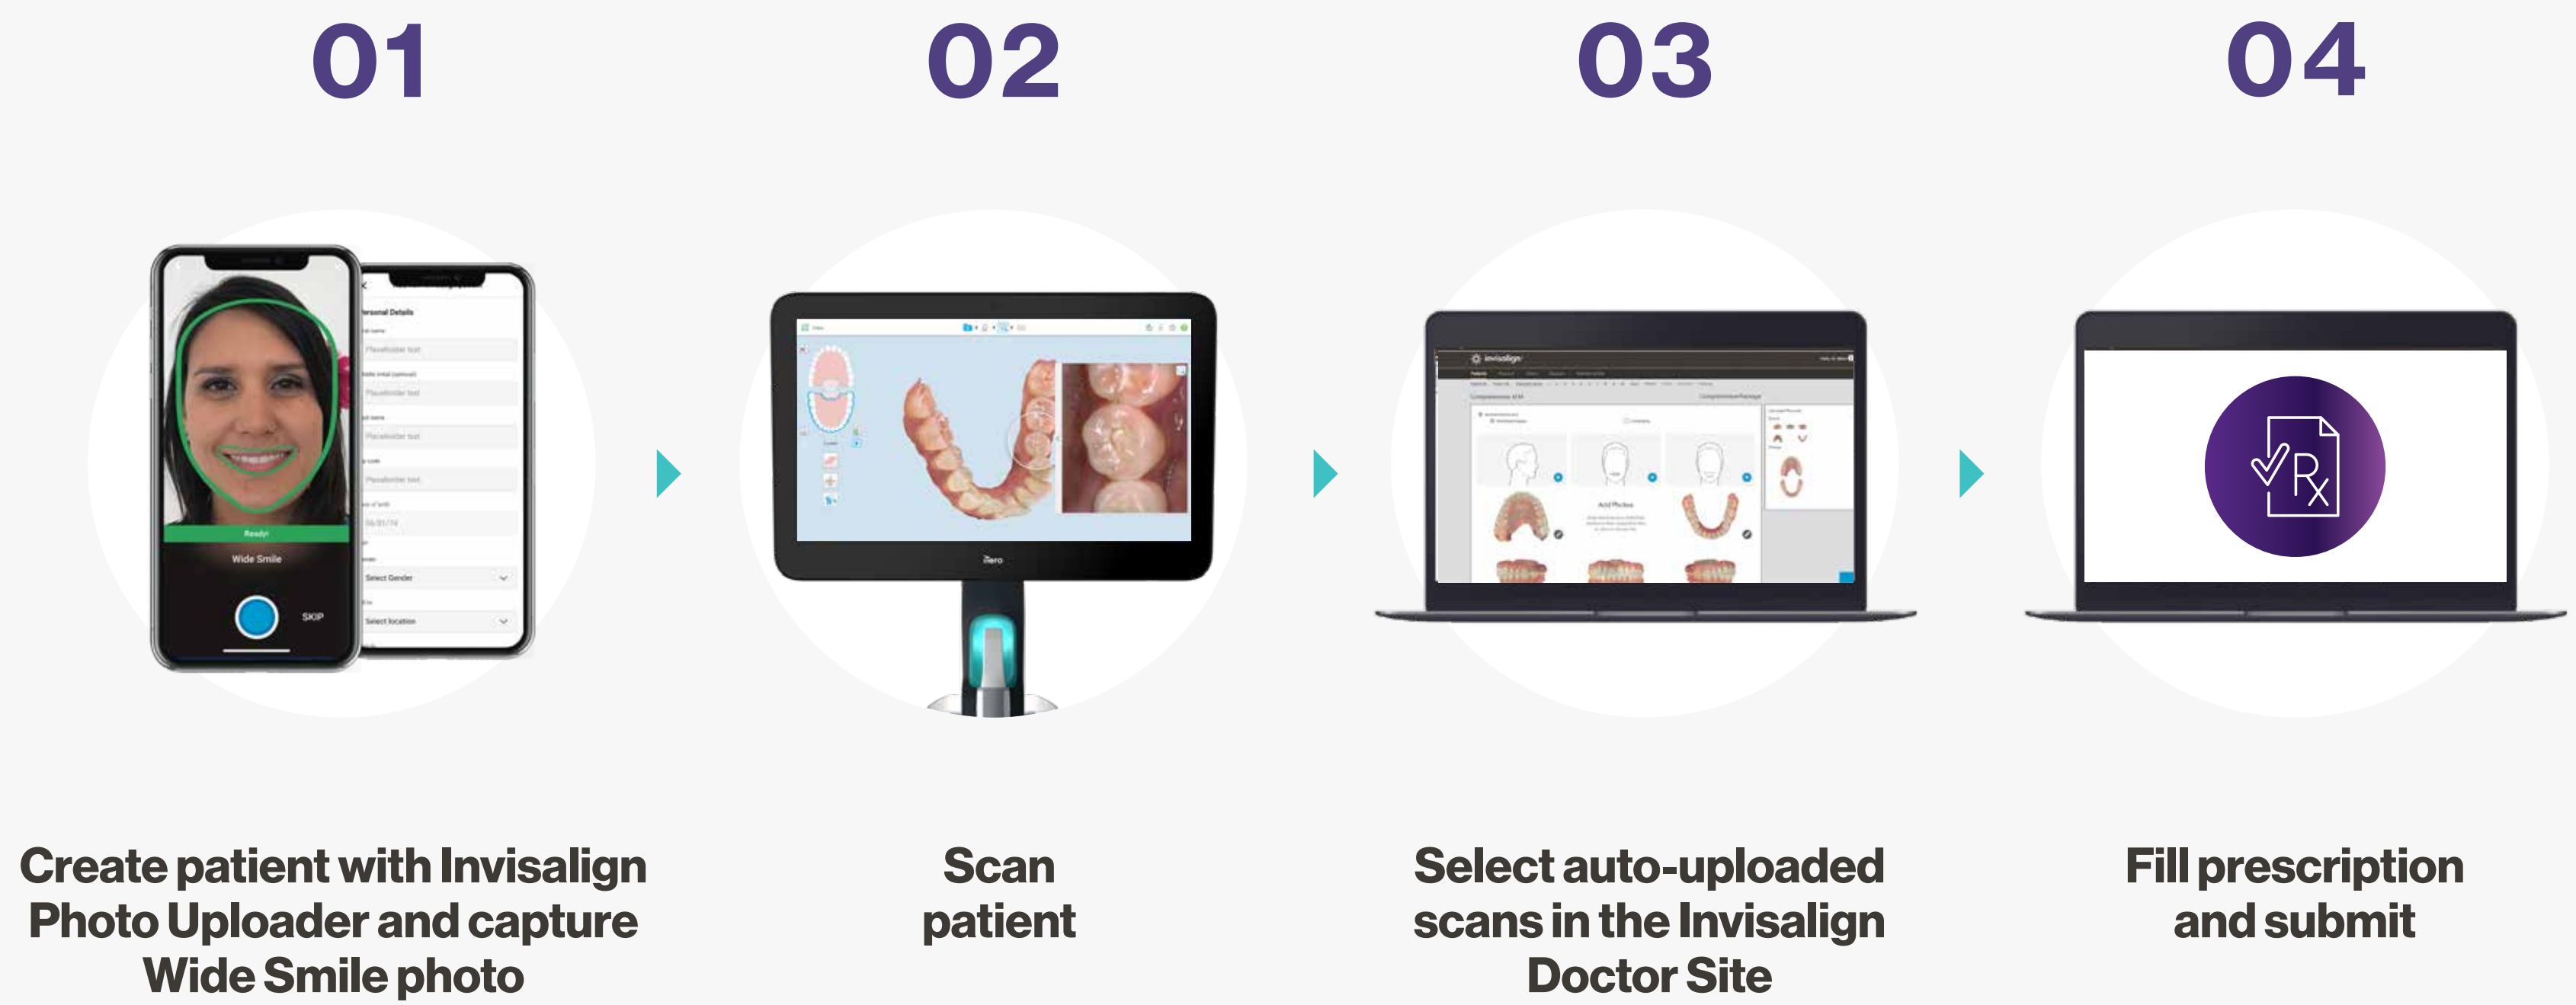

**No other intraoral  
scanner on the market  
has this feature.**

Shift to a fully digital workflow with significantly **fewer steps.**

### Invisalign case submission process with iTero Element 5D auto-uploads.

### Invisalign case submission process without iTero Element 5D auto-uploads.

## A better experience for **you and your patients.**

The iTero Element 5D auto-upload feature is truly something to smile about.

### **Reduce manual touchpoints.**

No tray molds, cheek retractors, or digital camera uploads required.

### **Treat more cases in less time.<sup>1</sup>**

Save time submitting cases and spend it where it counts: with your patients.

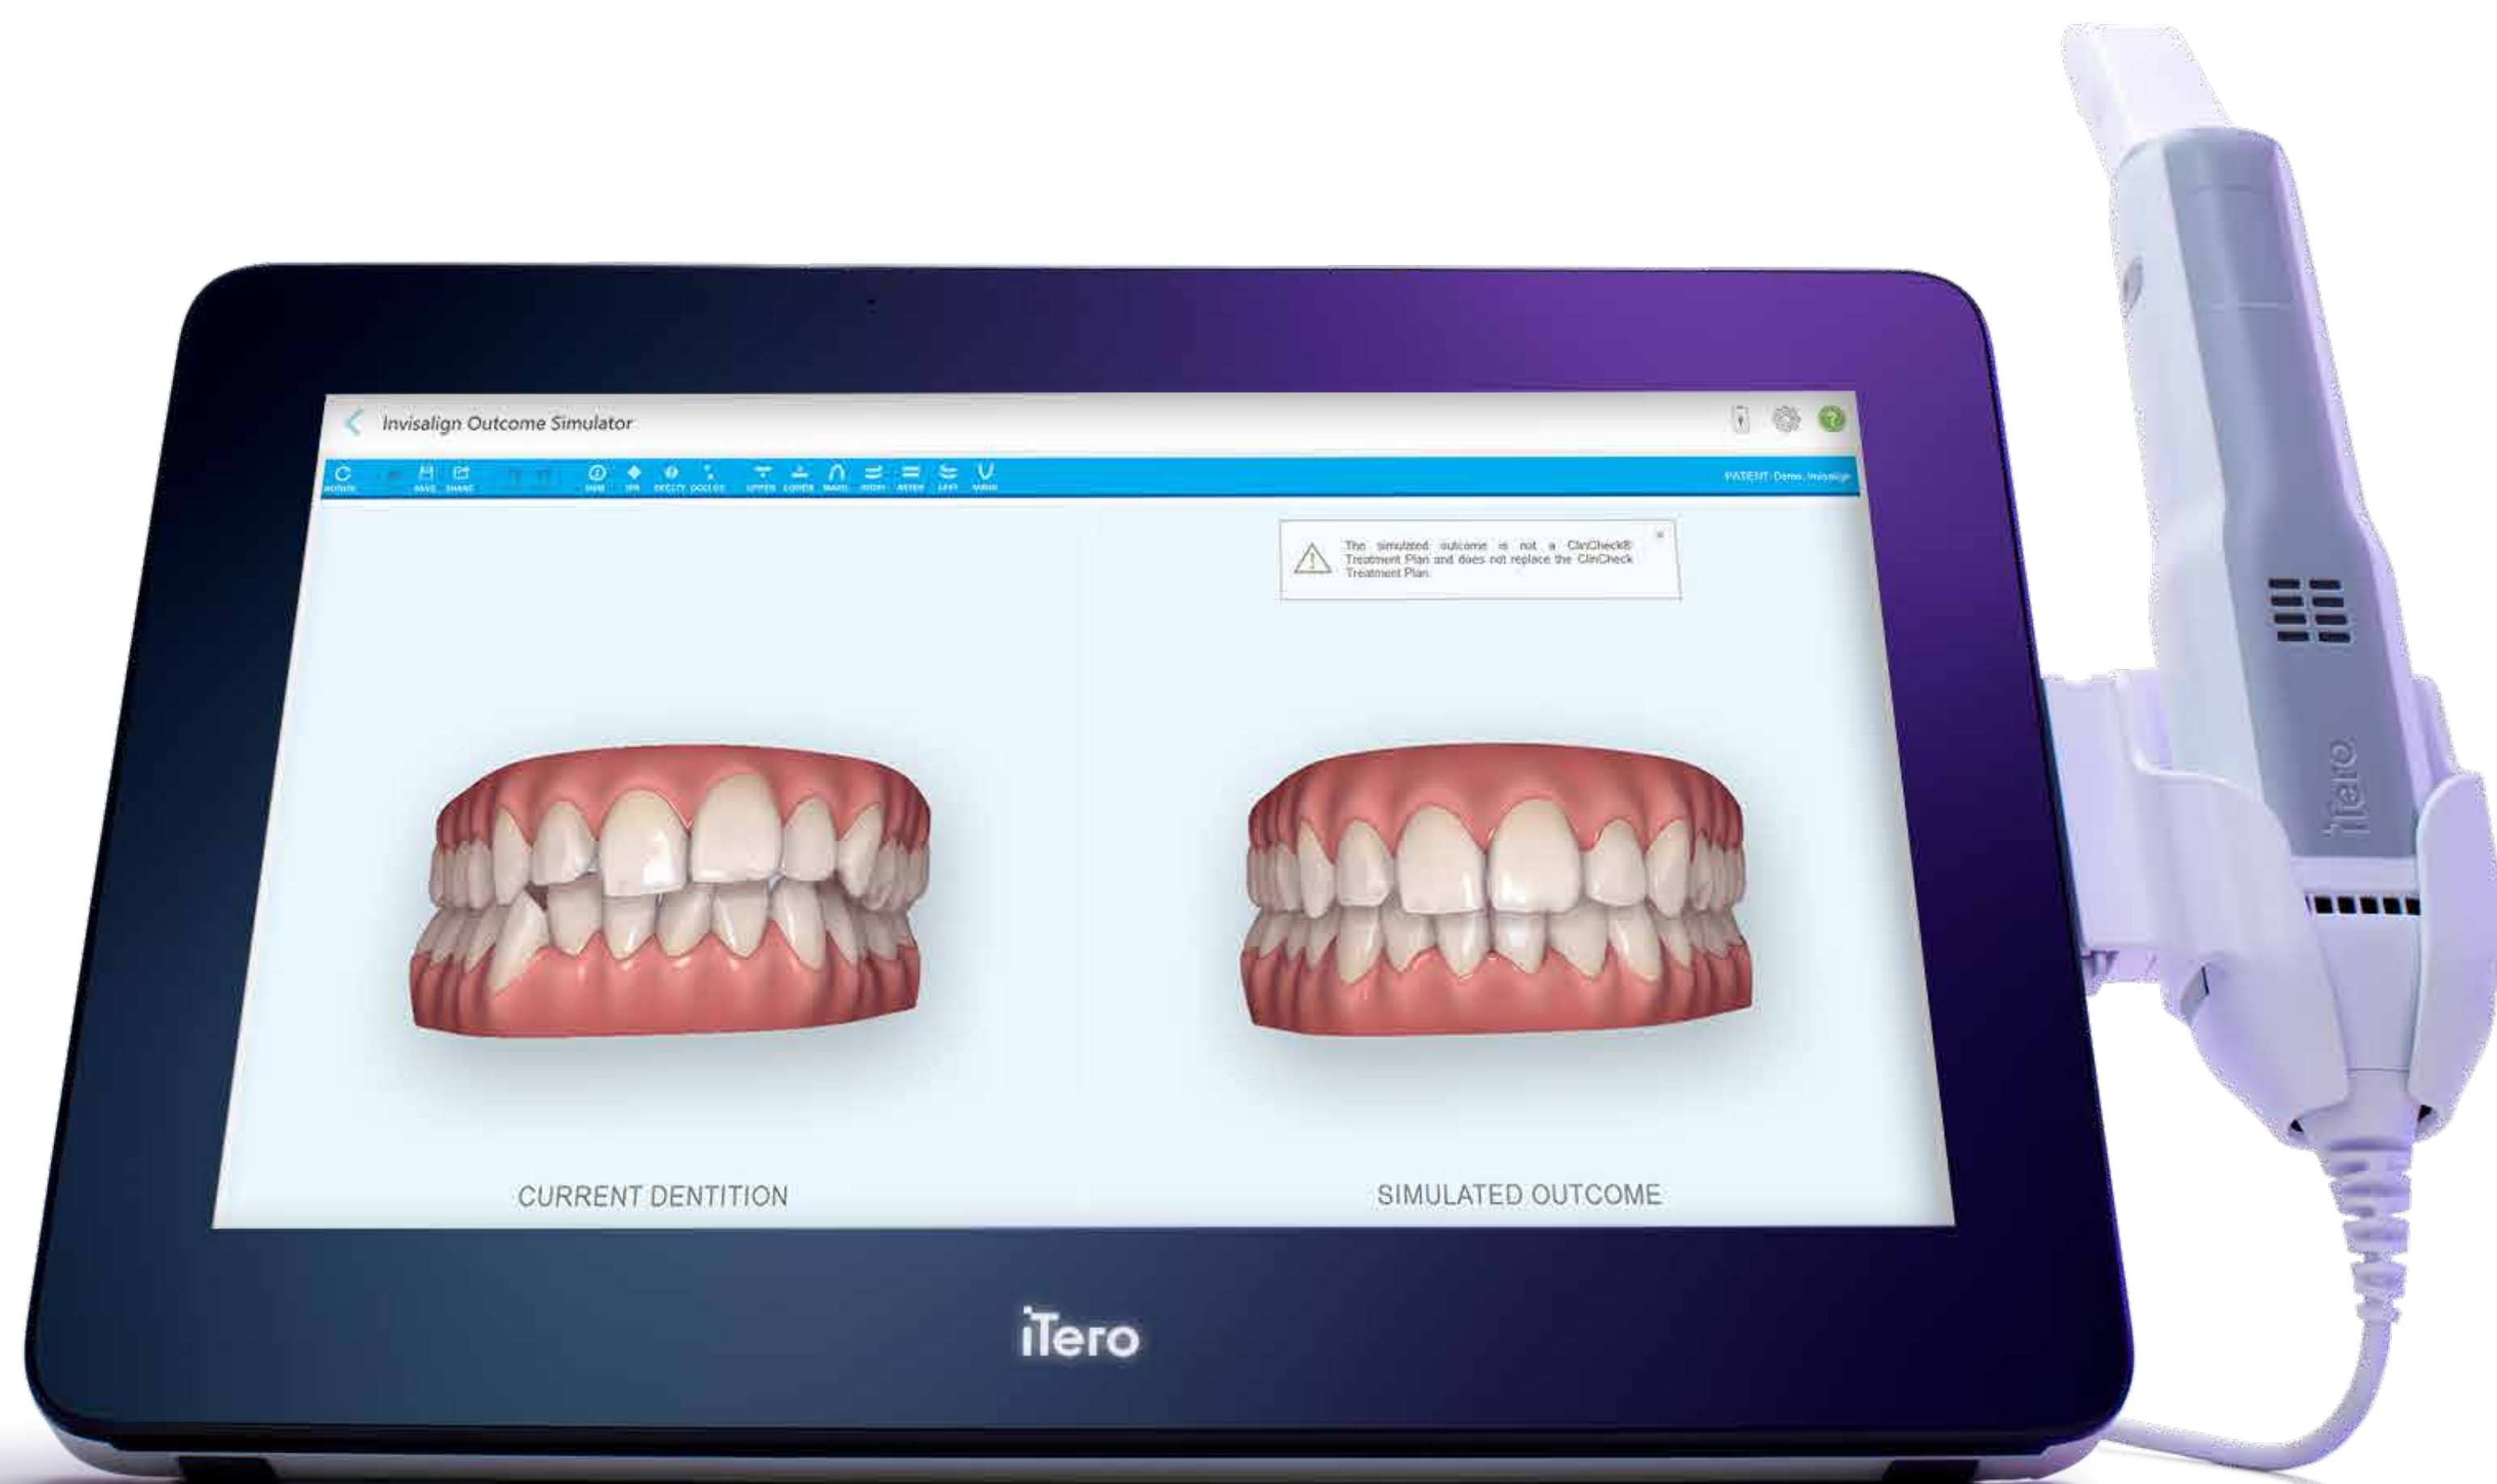

### **Connect with patients.**

Provide a memorable, interactive chairside experience.

# Take advantage of the full range of enhanced features available on **iTero Element 5D Plus.**

The latest cutting-edge iTero technology speeds up everything from scanning to submitting Invisalign cases.

**Enhanced image sharpness**

**AI-driven clinical detail**

**50% faster scanning capability<sup>2</sup>**

**25% faster image rotation capability<sup>2</sup>**

**Scans auto-upload functionality**
