

View and convert your prospective patients with Invisalign® Prospects.

It's never been easier to connect with your Invisalign® treatment prospects.

➤ Go to the Prospects page in the Invisalign Doctor Site to manage your prospects in one location.

Key features:

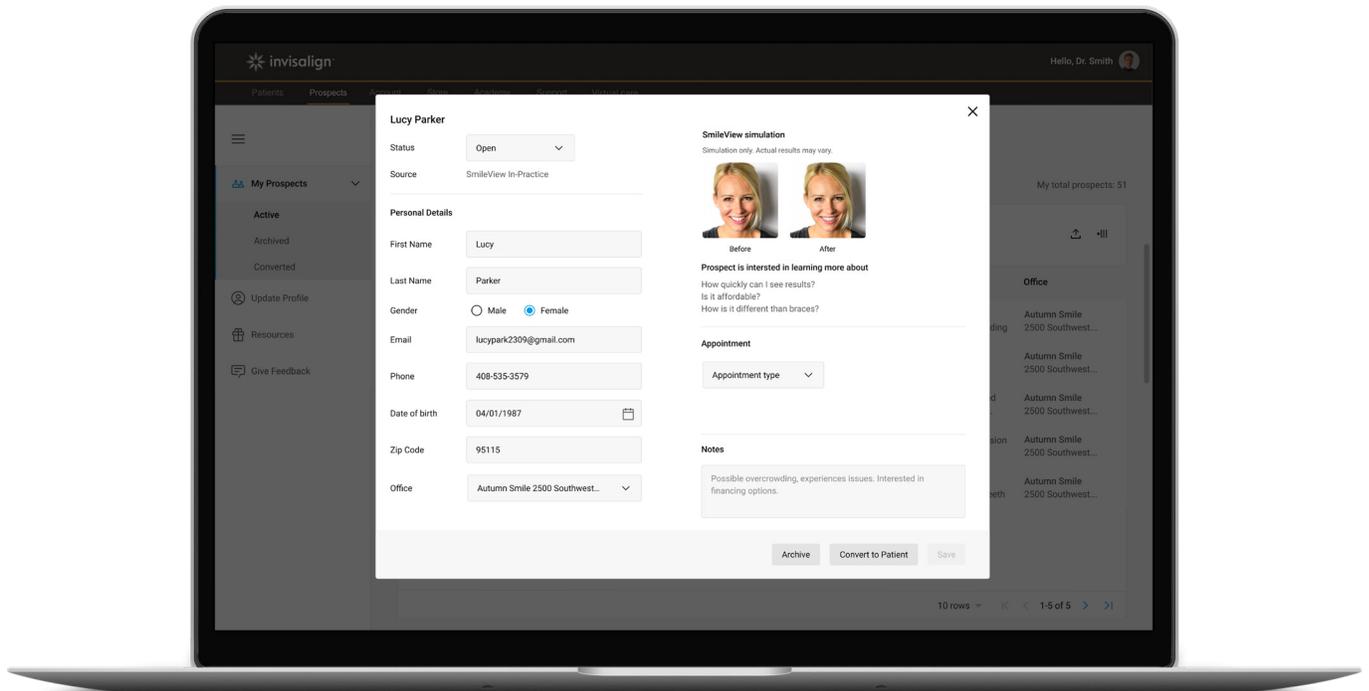

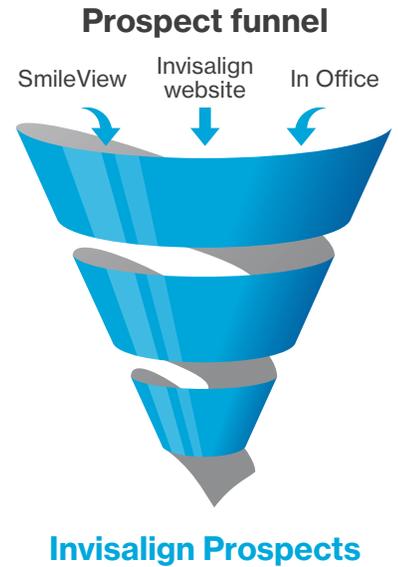

- Capture status and add notes to track engagement
- Offer virtual appointments in-between their in-office visits for flexibility
- Archive prospects and reactivate later
- Allows export of prospect records

Seamless integration within Invisalign Doctor Site (IDS) and Align demand tools so information is in sync.

Automate your prospect-file to patient-file conversion with a single click.
