**Dr. Jennifer Bell, DDS**

A native North Carolinian, Dr. Jennifer Bell earned her undergraduate and doctoral degrees at the University of North Carolina at Chapel Hill. She currently owns two practices in the Raleigh, NC area where she practices full time. Dr. Bell is a graduate of the Kois Continuum and a fellow in both the Academy of General Dentistry and International College of Dentists. Dr. Bell is active in the Academy of General Dentistry where she serves on the Dental Practice Council, Government Evaluation and Review Committee, and as a National Spokesperson. When not practicing dentistry, Dr. Bell is busy raising three kids with her husband Brian.

**Dr. Rekha Reddy, DDS**

Dr. Rekha Reddy is a practicing clinical dentist with a passion for the Invisalign system of clear aligner therapy. She was able to transform her practice through increasing Invisalign case starts by more than 300 percent in three years. Her goal is to share knowledge, experience and struggles with other general dentists who are hoping to grow their practice, profitability, and peace of mind.

Dr. Reddy grew up in Midland, TX and graduated with a Bachelors in Business Administration from The University of Texas at Austin. After working as a healthcare consultant, she decided to return to school and follow her passion of helping patients. She received her DDS from the University of Texas Health Science Center at San Antonio and now practices in the Park Cities area of Dallas, TX. She is a Platinum Invisalign Provider, has completed more than 350 Invisalign cases, and was a semi-finalist in the 2019 and 2021 Invisalign GP Summit Gallery Shoot-out.
