

You can now manage  
your prospective patients  
in one location with  
**Invisalign® Connect.**

# It's never been easier to connect with your Invisalign® treatment prospects.

➤ Go to the Connect page in the Invisalign Doctor Site to manage your prospects in one location.

## Key features:

- Capture status and add notes to track engagement
- Offer virtual appointments between office visits for flexibility
- Archive prospects and reactivate later
- Allows export of prospect records

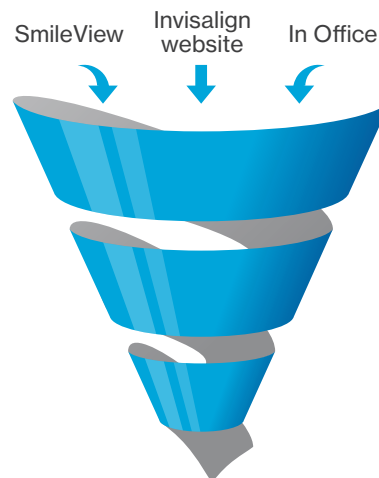

**Seamless integration** between Invisalign Doctor Site (IDS) and Invisalign Practice App (IPA) so information is in sync.

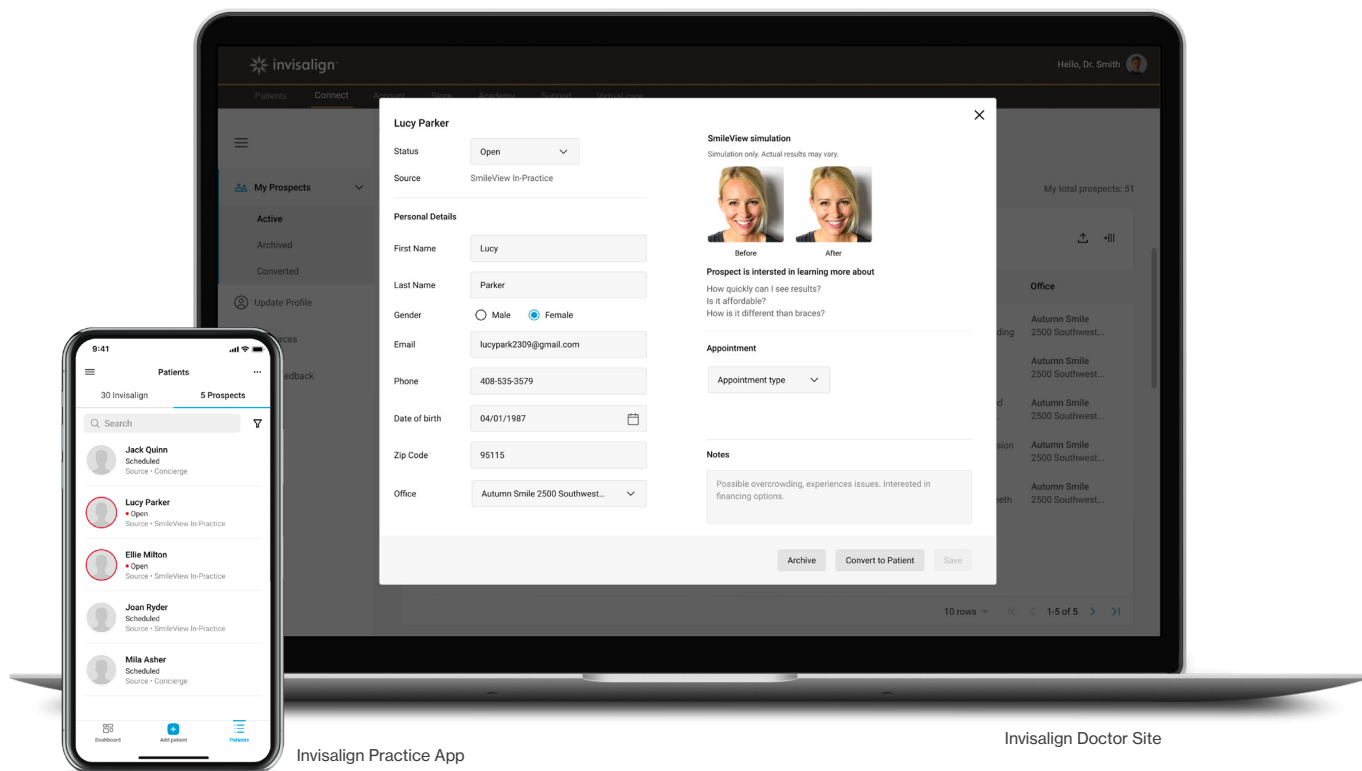

**Automate** your prospect-file to patient-file conversion with a single click.

## Prospect funnel

**Invisalign Connect**

To start using Invisalign Connect, download the Invisalign Practice App today.
