

## Professor (open rank) in Management Accounting & Control (Singapore campus)

As part of its growth strategy, the Department of Accounting and Management Control at ESSEC Business School invites applications for an open rank professor position (tenure track Assistant Professor, tenured Associate or Full Professor) in managerial accounting and control, based at the Singapore campus with a starting date of September 1, 2024 or upon agreement.

The Department strongly emphasizes high-quality, high-impact research and excellence in teaching. Its faculty members publish in top-tier accounting and management journals (e.g., Accounting, Organizations and Society; Academy of Management Journal; Contemporary Accounting Research; Management Accounting Research; Organization Science; Organization Studies; Journal of Business Ethics) and PhD students are placed at top research institutions in Europe, North America, and Australia.

ESSEC Business School is one of Europe's leading business schools with campuses in Greater Paris, Singapore, and Rabat (Morocco). Being the first AACSB accredited business school outside the United States and Canada, it offers BBA, MSc, Advanced Masters, MBA, Executive MBA, and PhD programs. Its Master in Management program has been for several years among the top five programs in the Financial Times ranking and it's Master in Strategy & Management of International Business has been ranked #2 worldwide and #1 in Asia in the latest edition of the QS Master's Rankings. ESSEC has developed a number of strategic alliances and many academic partnerships with leading institutions worldwide.

## Your Profile

- All candidates are expected to publish in top-tier accounting journals. Senior candidates should have a strong and recognized publication record. Junior candidates should be able to exhibit a clear and viable publication strategy for publication in top-tier accounting journals
- A strong ability and commitment to high-quality research and teaching excellence in the area of management accounting and control
- All empirical methods are welcome (qualitative, quantitative, or mixed-methods)
- Being a team-player with an ability to self-manage
- The position will be filled at the appropriate rank depending on the profile and experience of the candidate

## Our Offer

- Being part of a dynamic, research-driven team
- Working at a truly international business school with campuses in Europe, Asia, and Africa and high-achieving students studying innovative curricula
- A substantial research budget and support
- A highly competitive salary at an international level

Candidates should send a motivation letter, a curriculum vitae outlining their publications and teaching experiences, a statement on their future research plans, an exemplar of their research, course evaluations and names of three references with contact details. ESSEC is an equal opportunity employer. Application deadline: December 1<sup>st</sup>, 2023. Evaluation of files will be on a rolling basis until position filled.

Application packages should be addressed to Prof. Stefan Linder, ESSEC Business School, 3 Avenue Bernard Hirsch, BP 50105, 95021 Cergy-Pontoise cedex / FRANCE and sent, preferably via email in a single PDF-File to Mrs. Sylvie Heumez (heumez@essec.edu). As ESSEC has several open positions, please clearly indicate in your application the ID "SMAC 2024".
