

# RESEARCH PROJECT WITH PUBLIC FUNDING 2023

## THE CITIZENSHIP AND GOVERNANCE CHAIR (JEAN MONNET CHAIR) 50,000€

### WHAT IS THE AIM OF THE RESEARCH PROJECT?

This ambitious project will help to form a team around the professor in order to develop relevant content and innovative tools to nourish ESSEC students who are interested in and maybe will occupy strategic positions in European corporate or public institutions.

### WHO IS THE PRINCIPAL INVESTIGATOR?

Professor, director of ECLE (*European Center of Law and Economics*), founder of the Women empowerment programme - At ESSEC since 34 years, **Viviane de Beaufort** "works for a world that gives our children a chance".

### ABSTRACT:

The project will help to add sequences of courses dealing with several topics: European sovereignty and values, international trade, CSR challenges.

The project will also helps to continue to develop:

- the blog Europe: <https://europe.vivianedebeaufort.fr/>
- the CEDE (European Center of Law and Economics) already officially registered as a think tank in the Transparency Register in Brussels since 2008: <https://cede.essec.edu/>
