

The world is still experiencing a pandemic. We strongly encourage residents to bring only what they can easily pack and travel with on their own. Think airline style: one large piece of luggage and two carry-on items. Students are discouraged from bring large items or any type of furniture.

Each resident will be assigned a space with a regular twin-size bed and mattress, a dresser, and a desk with a chair. If you are in a double or triple, you will share a refrigerator, closet space, television (with cable) and a bathroom.
