# POLICIES

**A**s a resident at Educational Housing Services, you are a guest in our home, and we expect you to act responsibly and appropriately at all times. There are a few important policies that you need to be aware of and abide by to make our community a more pleasant experience for you and everyone else living in our residence. Any violation of these rules, other policies or laws, whether included in this guide or not, will result in the appropriate [disciplinary sanction](#) by EHS, your school, and possibly the legal authorities.

Living in a community involves learning to use new freedoms wisely and adjusting to a new environment where rules which may be different than ones you are accustomed. Most residents will make this adjustment without difficulty. A few residents are unable or unwilling to do so, and their behavior may interfere with the environment.

It is the responsibility of all our residents to become familiar with the policies in this guide and comply with them. Residents that do not comply with the EHS policies stated in this Code of Conduct Guide and License Agreement ([Clark Building](#), [Studio and Weller Building](#)) will face disciplinary sanctions. These sanctions might vary depending on the severity of the violation and are treated on a case-by-case scenario.

EHS reserves the right to update the Code of Conduct from time to time as a result of changing events, facts, and circumstances. Resident agrees to fully abide by such updates. All updates will be published online.

When a staff member is alerted of a resident who becomes incapacitated as a result of drinking or drug use, they will seek medical attention by calling 911. Residents will be financially responsible for the costs of the medical care including ambulance and/or hospitalization and will face disciplinary action. ## ALCOHOL

Residents are required to abide by all federal, state and local laws and regulations and the policies of Educational Housing Services and their school regarding the use, sale, and distribution of alcoholic beverages. These rules specify that persons under 21 years of age are prohibited from possessing any alcoholic beverage. Residents who are of legal drinking age may possess and consume alcohol within the privacy of their own rooms in accordance with the following rules (unless otherwise directed by your school/university):

- Alcoholic beverages may be consumed only within assigned rooms. No more than one (1) six pack of beer or one (1) bottle of wine may be allowed within your room. Hard liquor is prohibited. Any liquor that is found in the building will be confiscated, poured out, and the resident will face disciplinary sanction.
- Open containers of alcoholic beverages are prohibited outside of your room.
- Residents who bring alcoholic beverages into the residence are responsible for its legal use. This includes taking reasonable precautions to prevent the possession of alcoholic beverages by underage residents and visitors.
- Kegs, beer balls, and other mechanisms or devices that promote the purchase, storage and distribution of alcoholic beverages in bulk quantities, or that allow unregulated access to alcoholic beverages by any means, are prohibited.
- Alcoholic beverages may not be sold or distributed by a resident. This prohibition includes, but is not limited to, parties at which alcoholic beverages are served and for which contributions or donations to offset the costs of the party are sought.
- Residents found to be intoxicated (including those who have to seek medical treatment for intoxication) may be subject to the appropriate disciplinary sanction by Educational Housing Services, your school and by legal authorities.

**Please note:** if you are living with us through your school and your campus is a no-alcohol or dry-campus community, those rules apply while you are staying with us at the St. George Towers as well. Security and the EHS staff reserve the right to refuse access to anyone attempting to bring in alcohol.

## DRUGS

Residents are required to abide by all federal, state and local laws and regulations and the policies of Educational Housing Services, regarding the use, sale, and distribution of controlled substances despite its changing legal status in other jurisdictions. Marijuana may be a legal substance in the State of New York but it is strictly prohibited in any residence.

If we find any resident or visitor to a residence room to be in possession of or using, selling or distributing marijuana or other controlled substances (or in the case of prescription drugs, without a valid prescription) within any residence, we will contact the New York City Police Department. Your license agreement will be immediately terminated, your rights to live in any EHS residence will cease and all monies paid forfeited and you will be required to vacate the premises.

## **INTERNET ACCESS TERMS OF SERVICE**

All residents are required to accept the [Internet Access Terms of Service](#). This Agreement takes effect when you sign the EHS Check-in form upon move in and will remain effect until you vacate EHS housing. [Click here](#) to view this agreement.

The terms and conditions of the Internet Access Agreement may be modified and revised from time-to-time with notice provided to you of such modification or revision. Your continued use of the services will constitute your agreement to the agreement as modified or revised.

You agree to use reasonable care while using any equipment provided to you and you will not tamper with, damage, remove, or move the equipment. Also, you are required to promptly notify EHS of and pay for any damage you cause or any third party causes to the equipment. In addition, you provide permission for EHS' employees, agents, contractors, and representatives to enter your room without prior notice to install, maintain, inspect, repair and remove the equipment.

To the extent you would like to permit someone else to use your computer to use the internet services, you should ensure that that person is aware of the terms and conditions of this Agreement and agrees to abide by them. If they refuse to agree to the terms and conditions herein, you should not permit them to use the internet services. In addition, EHS reserves the right to terminate or restrict your use of the internet services, without notice to you, for any or no reason whatsoever.

Pay for any fees for third party services (for example, music downloads) that you use, and comply with the terms of use applicable to the third-party internet services.

## **MAINTENANCE**

If you discover an issue in your room that needs attention from maintenance staff, place a work order at [www.studenthousing.org/repairs](http://www.studenthousing.org/repairs). Be sure to include your email so that we can keep you updated about the status of your request. [Click Here](#) to learn how to request a repair.

Neglecting to report a problem (leaky faucet, water damage, etc.), could lead to further, more complicated problems. If you damage anything, you will have to repay the building for the cost of repairs (or replacements). If the resident is found responsible for causing the issue (i.e. flushed paper towels or hard objects down the toilet), you may be responsible for the costs of cleaning and repair. EHS cannot service or repair any furnishings or equipment provided by residents.

Residents are not permitted to paint, rearrange furniture, alter/remove any fixture in their rooms. Do not put any nails, screws, hooks or any sticky substances in/on the wall. You will be responsible for any damage caused.

Residents living in a lofted room type are not permitted to unloft their furniture. EHS will deny any request for removal, unlofting or rearrangement of furniture.

## EXTERMINATION PROCEDURES

To protect the general health and safety of all our residents the following guidelines must be followed. There is an exterminator who performs weekly maintenance in common areas. If you find that you need to utilize this service, please submit an extermination request by [clicking here](#).

## EXTERMINATOR RECOMMENDATIONS

Please keep your room free of debris and keep all food in sealed containers to help prevent a bug problem. We highly recommend that all unused boxes and plastic bags are properly disposed. Do not leave either item on the floor as this creates a breeding ground for unwanted insects and pests. The exterminator has been instructed to inform us of any rooms that violate these guidelines and a note to document such violations will be submitted to you. You will be given 24 hours to correct all noted violations and a post inspection will follow.

## BED BUGS

In the past few years, there has been a resurgence of reports of bed bugs in New York City – with complaints from luxury apartments, 5-star hotels, popular clothing stores, subway and theatres among them. We recognize the responsibility to investigate every report, take all possible precautions to prevent the spread of an infestation, and to eradicate any confirmed problems.

Educational Housing Services is committed to an effective and efficient response to residents who suspect they may have bed bugs. Bed bugs are a serious community issue, and all residents are expected to comply with all instructions given to them immediately once bed bugs have been confirmed in their room. Visit the [New York Department of Health and Mental Hygiene](#) for more information on bed bugs or click here to view our fact sheet.

## GUIDELINES

For the safety and comfort of all residents living in the residence, our staff will adhere to the following guidelines:

- As soon as a resident suspects that they may have bed bugs, they should stop by the Student Life Desk, contact us by email at [St.George@studenthousing.org](mailto:St.George@studenthousing.org) or call us at 212-994-8813 to report.
- We will contact our designated licensed exterminator who will perform a thorough inspection of the room in question. Should a resident notify us on a weekend or holiday day, the exterminator will check the room the next business day. Residents who report suspected bed bugs will not be granted a room or furniture change. This is crucial so that we can prevent the spread of bed bugs if they are found to be in the resident's room and belongings.
- Residents may not, at any time, deny Educational Housing Services staff to access to their room.
- If the exterminator concludes that there are no bed bug activity present in the room, then no further action will be taken. The resident will be asked to continue monitoring his/her living space, and to

notify us immediately if there are further problems. It is crucial the resident remains in their own room to prevent contamination of other rooms.

- If the exterminator concludes that bed bugs are present in the room, we will provide the affected resident(s) with a detailed list of instructions for the removal and laundering of their personal items. EHS will not cover the cost of anything a resident needs to wash and/or dry clean or have laundered by an outside vendor.
- Only the approved EHS exterminator can confirm or deny the presence of bed bugs – not a resident, doctor or any outside person.

## **NOISE**

---

You live in a community where it is essential that you respect your neighbors. Please keep sound levels low within your room and comply with requests to reduce intrusive noise levels. New York City ordinances require quiet hours from 11pm-7am. Regardless of the hour, courtesy policies are always in effect. Please respect your neighbor's space. Repeated violations of the noise policies will subject you to disciplinary sanction. 24-hour quiet hours will be in effect during finals. We want to provide residents with an atmosphere where they can relax and study. Please adhere to all signage concerning noise and quiet hours.

### **AMPLIFIED SOUND AND MUSICAL INSTRUMENTS**

The residences are not designed for playing amplified musical instruments or high watt stereo equipment. Residents who wish to play or practice should wear headphones or muffle their instruments.

### **COURTESY AND QUIET HOURS**

It is expected that each resident will extend courtesy and consideration and be sensitive to the needs of other residents at all times. Courtesy Hours are in effect at all times in the residence. Each resident and his/her visitors have the responsibility to act with consideration toward other individuals who choose to study or sleep. Quiet Hours are defined as periods of time when noise will be kept to a minimum to allow study and sleep. Quiet hours are in effect each night from 11pm to 7am. Radios, stereos, and televisions must be played at lower volume levels that will not disturb other residents. ## SEXUAL HARASSMENT POLICY

Sexual harassment is prohibited by Title VII of the 1964 federal Civil Rights Act, New York State Human Rights Law and, in some instances, local law (for example, the New York City Administrative Code). Educational Housing Services is committed to the principle that no employee, resident, or applicant for employment should be subject to sexual harassment. Educational Housing Services strives to provide residences, workplaces and learning environments that promote equal opportunity and are free from illegal discriminatory practices, including sexual harassment.

### DEFINITION OF SEXUAL HARASSMENT

Sexual harassment is defined as sexual advances, requests for sexual favors, and any other verbal or physical conduct of a sexual nature, whether intentional or unintentional, where:

- an individual's submission to or rejection of the conduct is made, either explicitly or implicitly, a term or condition of employment or of status in a course, program, or activity, or is used as a basis for employment or academic decision; or
- the conduct has the purpose or effect of unreasonably interfering with an individual's work performance, academic performance, or educational experience, or of creating an intimidating, hostile, humiliating, or offensive working, educational, or living environment.

### EXAMPLES OF SEXUAL HARASSMENT

It is not possible to list all circumstances that might constitute sexual harassment. In general, sexual harassment encompasses any sexually related conduct which causes others discomfort, embarrassment, or humiliation, and any harassing conduct, sexually related or otherwise, directed toward an individual because of that individual's sex.

Such conduct is subject to this policy whenever it occurs in a context related to the employment or academic environments, or if it is imposed upon an individual by virtue of an employment or academic relationship. A determination of whether conduct constitutes sexual harassment is dependent upon the totality of the circumstances, including the pervasiveness or severity of the conduct.

### The following examples of conduct may constitute sexual harassment:

- Unwelcome sexual advances—whether they involve physical touching or not;
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life;
- Comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess;

- Displaying sexually suggestive objects, pictures, or cartoons; this includes resident rooms
- Unwelcome leering, whistling, brushing against the body, sexual gestures, or suggestive or insulting comments;
- Inquiries into one’s sexual experiences; and
- Discussion of one’s sexual activities.

In order to constitute sexual harassment, conduct must be unwelcome. Conduct is unwelcome when the person being harassed does not solicit or invite it and regards it as undesirable or offensive. The fact that a person may accept the conduct does not mean that they welcome it.

Educational Housing Services, its employees, and residents also must be aware of the need for freedom of inquiry and openness of discussion in their educational pursuits and must strive to create and maintain an atmosphere of intellectual seriousness and mutual tolerance in which these essential features of academic/resident life can thrive.
