# POLICIES

**A**s resident at Educational Housing Services, you are a visitor to our home, and we expect you to act responsibly and appropriately at all times. There are a few important policies that you need to be aware of and abide by to make our community a more pleasant experience for you and everyone else living in our residence. Any violation of these rules, other policies or laws, whether included in this guide or not, will result in the appropriate [disciplinary sanction](#) by EHS, your school, internship and possibly the legal authorities.

Living in a community involves learning to use new freedoms wisely and adjusting to a new environment where rules may be different than ones you are accustomed to. Most residents will make this adjustment without difficulty. A few residents are unable or unwilling to do so, and their behavior may interfere with the environment.

It is the responsibility of all our residents to become familiar with the policies in this guide and comply with them. Residents that do not comply with the EHS policies stated in the Code of Conduct Guide and [License Agreement](#) will face disciplinary actions. These sanctions might vary depending on the severity of the violation and are treated on a case-by-case scenario.

## **ABANDONED PROPERTY**

### **COMMUNITY AREA**

Residents are encouraged to keep personal items secure in their rooms. Public areas of the residences (including lounges, community bathrooms, hallways, etc.) are not intended for storage of personal belongings. Items found that are left behind in public space, given to security or an EHS staff member will be placed in a “Lost and Found” area for seven days. After this period, these items will be considered abandoned and will be discarded. If an item is left behind and taken by another individual, EHS will attempt to recover the item; however, EHS is not financially responsible for the item if it cannot be recovered.

### **RESIDENT ROOM**

If a resident vacates an assigned space and leaves personal possessions whether intentionally or unintentionally, these items will be considered abandoned property. All items left behind will be removed, recycled or donated. EHS is not responsible for any items left in the rooms/residence and will not be responsible for the replacement or compensation of abandoned property.

## **COMMUNITY AREAS**

### **COMMUNAL AND PUBLIC SPACE ATTIRE POLICY**

Due to the nature of living in a residential community and the uniqueness of our residence, residents and visitors may not enter the building or congregate in communal areas without proper attire. Shirts, shoes, skirts, pants, shorts, leggings, etc. **are required. Clothing must fully cover undergarments.**

## COMMUNITY LOUNGES

There are community lounges on each floor and the 1<sup>st</sup> and 2<sup>nd</sup> floors open to residents and meant for gathering, studying, and relaxing. All residents using these spaces must follow the below rules:

- Be respectful of others and mindful that this is community space.
- Be courteous during organized events.
- All activities held in communal areas must have a person that oversees the event/activity.
- During events, recreational activities are prohibited, such as video games, loud music, and loud conversations.
- No Alcohol
- No tampering with the displayed artwork/decorations or televisions.
- Furniture must be utilized appropriately and cannot be moved from its original location.
- Please dress appropriately and wear shoes, shirts, and pants/ shorts/skirts.
- Be responsible for your own personal items, should you leave something behind please read the following policy: [Abandoned property policy](#).
- Residents wishing to reserve any community lounge for an event must request it by contacting the building Student Life staff.
- Clean up after yourself before leaving the lounge so everyone can enjoy a clean environment.
- No sleeping in public places.
- Public spaces are under 24-hour surveillance.

## OUTDOOR TERRACE

Due to NYC Local Law 11 building Facade work, the Outdoor Terrace will be closed for the Summer 2025 term.

There is an outdoor terrace located on 2<sup>nd</sup> floor. There are tables and seating for your convenience. The terrace is open during daylight, weather permitting. There is no alcohol or smoking allowed on the terrace. Should noise levels go beyond acceptable limits or residents misuse this space, we will have no choice but to close it permanently.

## KITCHENETTE

There is a kitchenette in your suite, and it is provided for residents in the suite to use. We ask that all residents abide by the simple rules below so everyone in the suite can enjoy the space:

- Clean up after yourself.
- Dispose of your trash in proper bins.
- Rinse out the sink and do not clog it by removing food from drain.
- Do not place any items near the stovetop.
- Be attentive to your cooking/food. Do not leave the kitchen while your food is cooking.

## LAUNDRY ROOM

Please be mindful of your laundry. If you leave your laundry too long in a machine, someone may choose to move it for you. If you leave it unattended, EHS nor the Landlord are responsible for items damaged, stolen, or removed. After 48 hours, the staff will discard any [items left unattended](#). If you are found guilty of damaging property and/or stealing, you will be held financially and legally responsible and may face removal from the residence. Please remember you are on camera.

## **CRIMINAL BACKGROUND**

Educational Housing Services does not permit persons who are required to register as sex offenders or major offenders under the laws of any state or nation to reside in any EHS residence. Any person requesting to live in EHS housing must disclose any such registration requirement. Failure to disclose will result in involuntary removal from EHS housing and forfeiture of any deposit or fees paid for housing.

EHS reserves the right on a case-by-case basis to deny the request of any person to reside in EHS housing or to involuntarily remove any person already admitted to EHS housing due to the conviction of any felony or misdemeanor offense which, in the judgment of the EHS, indicates that the person who has been convicted of such an offense has the potential to disrupt the normal functioning of EHS housing, engage in conduct that may endanger the health or safety of any person residing in EHS housing, including self, or otherwise negatively impact the residential community.

The decision of whether or not to deny the request for EHS housing or remove any person already admitted to EHS housing and the seriousness of the felony or misdemeanor offense or educational institution disciplinary infraction upon which such decision is based is at the sole discretion of the College and is not subject to appeal.

## **HARASSMENT AND INTIMIDATION**

Residents living in any EHS residence have the right to live free of intimidation, harassment, or bullying. If after an investigation, EHS determines that a resident is harassing, bullying, or intimidating another resident, EHS may take appropriate action to cause such behavior to cease including, without limitation, terminating the License Agreement and right to be in the residence.

### **THREATS AND VIOLENCE**

Do not engage in, or threaten to engage in, any behavior that endangers the health or safety of another person or oneself.

---

## **HEALTH AND SAFETY**

If adequate health and safety standards are not maintained or that the condition of the room discourages roommates, EHS will take disciplinary sanction. Residents are expected to clean up after themselves. An inability to do this or any deviation from a reasonable disposal method will result in cleaning fees assessed to the resident. EHS reserves the right to enter resident rooms at any time without warning to inspect and assess health and safety conditions.

To determine compliance with the rules or with federal, state and local laws and to check for any repairs needed, we conduct Health and Safety Inspections a minimum of once per semester and when there is a reasonable cause to believe that a violation has occurred or is taking place. EHS personnel may obtain evidence while conducting the inspection, which may later be used by the law enforcement agencies in the prosecution of criminal behavior. Any confiscated item will be donated to local charities or discarded immediately.

If it is found that a resident's room is not up to health and safety standards (i.e. cleanliness, hazardous wiring, etc.) the resident will be given 24 hours to correct. If, upon re-inspection, the room still does not pass, the resident may be fined, face probation sanctions and/or be evicted.

You are responsible, and you share responsibility with your roommate(s), for keeping your room clean and free of any damage. We do not provide cleaning services in the residence. Dirty or untidy rooms can cause roommate problems as well as extermination issues.

---

## **IDENTIFICATION CARDS AND KEYS**

Lost or stolen ID/keys should be reported immediately to the EHS Student Life Office, replacement cost for the ID is \$10.00 each and replacement cost for apartment and room key is \$50.00 each (rates subject to change). ---

## INTOXICATION

Intoxication whether from alcohol, narcotics, or prescription medicine, is not acceptable justification for irresponsible or inappropriate behavior. Residents of legal age who consume alcohol are expected to do so in moderation and in a manner that ensures other residents' rights to privacy, sleep, and study. When a staff member is alerted of a resident who becomes incapacitated because of drinking or drug use, they will seek medical attention by calling 911. Residents will be financially responsible for the costs of the medical care including ambulance and/or hospitalization and will face [disciplinary action](#). In addition, loud or disruptive behavior, interference or drinking habits that are disruptive or injurious to the health of individuals will not be tolerated and [disciplinary action](#) will be taken which could lead to removal from the building and forfeitures of all monies paid.

## ALCOHOL

Residents are required to abide by all federal, state and local laws and regulations and the policies of Educational Housing Services and their school regarding the use, sale, and distribution of alcoholic beverages. These rules specify that persons under 21 years of age are prohibited from possessing any alcoholic beverage. Residents who are of legal drinking age may possess and consume alcohol within the privacy of their own rooms in accordance with the following rules (unless otherwise directed by your school/university):

- Alcoholic beverages may be consumed only within assigned rooms. No more than one (1) six pack of beer or one (1) bottle of wine may be allowed within your room. Hard liquor is prohibited. Any liquor that is found in the building will be confiscated, poured out, and the resident will face disciplinary sanction.
- Open containers of alcoholic beverages are prohibited outside of your room.
- Residents who bring alcoholic beverages into the residence are responsible for its legal use. This includes taking reasonable precautions to prevent the possession of alcoholic beverages by underage residents and visitors.
- Kegs, beer balls, and other mechanisms or devices that promote the purchase, storage and distribution of alcoholic beverages in bulk quantities, or that allow unregulated access to alcoholic beverages by any means, are prohibited.
- Alcoholic beverages may not be sold or distributed by a resident. This prohibition includes, but is not limited to, parties at which alcoholic beverages are served and for which contributions or donations to offset the costs of the party are sought.

- Residents found to be intoxicated (including those who must seek medical treatment for intoxication) may be subject to the appropriate disciplinary sanction by Educational Housing Services, your school and by legal authorities.

**Please note:** if you are living with us through your school and your campus is a no-alcohol or dry-campus community, those rules apply while you are staying with us at the 301 First Avenue Residence as well. Security and the EHS staff reserve the right to refuse access to anyone attempting to bring in alcohol.

## DRUGS

Residents are required to abide by all federal, state, and local laws and regulations and the policies of Educational Housing Services, regarding the use, sale, and distribution of controlled substances despite its changing legal status in other jurisdictions. Marijuana may be a legal substance in the State of New York, but it is strictly prohibited in any residence. If we find any resident or visitor to a residence room to be in possession of or using, selling, or distributing marijuana or other controlled substances (or in the case of prescription drugs, without a valid prescription) within any residence, we will contact the New York City Police Department. Your license agreement will be immediately terminated, your rights to live in any EHS residence will cease and all monies paid forfeited, and you will be required to vacate the premises.

## INTERNET ACCESS TERMS OF SERVICE

All residents are required to accept the [Internet Access Terms of Service](#). This Agreement takes effect when you sign the EHS Pre-check-in form and remains in effect until you vacate EHS housing. [Click here](#) to view this agreement.

The terms and conditions of the Internet Access Agreement may be modified and revised from time-to-time with notice provided to you of such modification or revision. Your continued use of the services will constitute your agreement to the agreement as modified or revised.

You agree to use reasonable care while using any equipment provided to you and you will not tamper with, damage, remove, or move the equipment. Also, you are required to promptly notify EHS of and pay for any damage you cause, or any third party causes to the equipment. In addition, you provide permission for EHS' employees, agents, contractors, and representatives to enter your room without prior notice to install, maintain, inspect, repair, and remove the equipment.

To the extent you would like to permit someone else to use your computer to use the internet service, you should ensure that that person is aware of the terms and conditions of this Agreement and agrees to abide by them. If he or she refuses to agree to the terms and conditions herein, you should not permit him or her to use the internet services.

In addition, EHS reserves the right to terminate or restrict your use of the internet services, without notice to you, for any or no reason whatsoever. Pay for any fees for third party services (for example, music downloads) that you use, and comply with the terms of use applicable to the third-party internet services.

## MAINTENANCE

---

If you discover an issue in your room that needs attention from maintenance staff, please report it to the Student Life Office. If the office is closed, please send an email to [301First@studenthousing.org](mailto:301First@studenthousing.org)

Neglecting to report a problem (leaky faucet, water damage, etc), could lead to further, more complicated problems. If you damage anything, you will have to repay the building for the cost of repairs (or replacements). If the resident is found responsible for causing the issue (i.e. flushed paper towels or hard objects down the toilet), you may be responsible for the costs of cleaning and repair. EHS cannot service or repair any furnishings or equipment provided by residents.

Residents are not permitted to paint or make any alterations to their rooms. Do not put any nails, screws, hooks, or any sticky substances in/on the wall. You will be responsible for any damage caused to the room.

### EXTERMINATION PROCEDURES

To protect the general health and safety of all our residents the following guidelines must be followed. There is an exterminator who performs weekly maintenance in common areas. If you find that you need to utilize this service, please email us to report a problem at [301First@studenthousing.org](mailto:301First@studenthousing.org).

### EXTERMINATOR RECOMMENDATIONS

Please keep your room free of debris and keep all food in sealed containers to help prevent a bug problem. We highly recommend that all unused boxes and plastic bags are properly disposed. Do not leave either item on the floor as this creates a breeding ground for unwanted insects and pests. The exterminator has been instructed to inform us of any rooms that violate these guidelines and a note to document such violations will be submitted to you. You will be given 24 hours to correct all noted violations and a post inspection will follow.

### BED BUGS

In the past few years, there has been a resurgence of reports of bed bugs in New York City – with complaints from luxury apartments, 5-star hotels, popular clothing stores, subway, and theatres among them. We recognize the responsibility to investigate every report, take all possible precautions to prevent the spread of an infestation, and to eradicate any confirmed problems.

Educational Housing Services is committed to an effective and efficient response to residents who suspect they may have bed bugs.

Bed bugs are a serious community issue, and all residents are expected to comply with all instructions given to them immediately once bed bugs have been confirmed in their room.

[Visit the New York Department of Health and Mental Hygiene](#) for more information on bed bugs.

### GUIDELINES

For the safety and comfort of all residents living in the residence, our staff will adhere to the following guidelines:

- As soon as a resident suspects that they may have bed bugs, they should stop by the Student Life Office, contact us by email at [301First@studenthousing.org](mailto:301First@studenthousing.org) or to report.
- We will contact our designated licensed exterminator who will perform a thorough inspection of the room in question. Should a resident notify us on a weekend or holiday day, the exterminator will check the room the next business day. Residents who report suspected bed bugs will not be granted a room or furniture change. This is crucial so that we can prevent the spread of bed bugs if they are found to be in the resident's room and belongings.
- Residents may not, at any time, deny Educational Housing Services staff access to their room.
- If the exterminator finds that there are no bed bugs activity present in the room, then no further action will be taken. The residents will be asked to continue monitoring their living space, and to notify us immediately if there are further problems. It is crucial the residents remain in their own room to prevent contamination of other rooms.

If the exterminator concludes that bed bugs are present in the room, we will provide the affected resident(s) with a detailed list of instructions for the removal and laundering of their personal items.

---

## NOISE

You live in a community where it is essential that you respect your neighbors. Please keep sound levels low within your room and comply with requests to reduce intrusive noise levels. New York City ordinances require quiet hours from 11pm - 9am. Regardless of the hour, courtesy policies are always in effect. Please respect your neighbor's space. Repeated violations of the noise policies will subject you to [disciplinary sanctions](#). We want to provide residents with an atmosphere where they can relax and study. Please adhere to all signage concerning noise and quiet hours.

### AMPLIFIED SOUND AND MUSICAL INSTRUMENTS

The residences are not designed for playing amplified musical instruments or high watt stereo equipment. Residents who wish to play or practice should wear headphones or muffle their instruments.

### COURTESY AND QUIET HOURS

It is expected that each resident will extend courtesy and consideration and be always sensitive to the needs of other residents. Courtesy Hours are always in effect in the residence. Each resident and his/her visitors have the responsibility to act with consideration toward other individuals who choose to study or sleep. Quiet Hours are defined as periods of time when noise will be kept to a minimum to allow study and sleep. Quiet hours are in effect each night from 11pm to 9am. Radios, stereos, and televisions must be played at lower volume levels that will not disturb other residents.

If a sound can be heard through the walls to another resident or from the hallway, it is considered too loud.

---

## **PARENTAL NOTIFICATION**

We reserve the right to contact the parent(s) or guardians(s) of residents under the age of 21 involved in dangerous and/or inappropriate behaviors that are threatening to oneself or others. EHS staff members will decide on whether to contact parents depending on the severity of the situation.

---

Room assignments will be made solely by Educational Housing Services and/or by your school/company. EHS cannot provide you with your roommate information prior to your arrival because of changes that may occur before you arrive. We primarily focus on gender, age, school/internship, and then we take into consideration any other special requests.

In the event of a roommate conflict, EHS and/or your school/university reserves the right to relocate one or all roommates to another room equal to resident's current rental payment. Roommate changes are subject to a full review by the EHS Associate Director.

If EHS determines that you do not fit into a positive environment or if we consider that you are a threat to our EHS community, this will constitute termination of your contract. EHS reserves the right to terminate your contract if it is determined that you cannot fit into the community in a positive manner.

EHS discourages residents who are in a romantic relationship – regardless of sex, gender, gender identity or gender expression – to live together in apartments or rooms shared with other residents. Residents in romantic relationships may apply to live together in any apartment or room type that is not shared with additional residents and must each identify their intended roommate(s) upon booking and complete a Mixed Gender Form with their Housing Advisor.

In the event of roommate issues between residents in a romantic relationship, residents will be required to relocate.

Educational Housing Services reserves the right to enter any resident's room without prior notice. Entry may be made even if a resident is not present. Such entry does not include the authority to search personal belongings in a resident's desk, closet, bureau, etc. However, it does provide authority to perform necessary functions such as safety, maintenance, and room inspection. ## SEXUAL HARASSMENT POLICY

---

Sexual harassment is prohibited by Title VII of the 1964 federal Civil Rights Act, New York State Human Rights Law and, in some instances, local law (for example, the New York City Administrative Code). Educational Housing Services is committed to the principle that no employee, resident, or applicant for employment should be subject to sexual harassment. Educational Housing Services strives to provide residences, workplaces and learning environments that promote equal opportunity and are free from illegal discriminatory practices, including sexual harassment.

Sexual harassment is a violation of federal and state laws and of Educational Housing Services policy, as is retaliation against any individual who in good faith files a complaint of sexual harassment or cooperates in the investigation of such a complaint. Upon receipt of a complaint of sexual harassment or retaliation, Educational Housing Services will undertake a fair and thorough investigation, with due regard for the rights of all parties. Every reasonable effort will be made to protect the confidentiality of the parties during the investigation. After an investigation, any person who is found to have sexually harassed or retaliated against another will be subject to discipline, up to and including expulsion from an Educational Housing residence and from employment, if an employee of Educational Housing Services. Educational Housing Services does guarantee, however, that credible accusations of inappropriate sexual remarks or actions will be investigated promptly, thoroughly, and fairly. All findings will be turned over to the appropriate authorities for adjudication.

### DEFINITION OF SEXUAL HARASSMENT

Sexual harassment is defined as sexual advances, requests for sexual favors, and any other verbal or physical conduct of a sexual nature, whether intentional or unintentional, where:

- an individual's submission to or rejection of the conduct is made, either explicitly or implicitly, a term or condition of employment or of status in a course, program, or activity, or is used as a basis for employment or academic decision; or
- the conduct has the purpose or effect of unreasonably interfering with an individual's work performance, academic performance, or educational experience, or of creating an intimidating, hostile, humiliating, or offensive working, educational, or living environment.

### EXAMPLES OF SEXUAL HARASSMENT

It is not possible to list all circumstances that might constitute sexual harassment. In general, sexual harassment encompasses any sexually related conduct which causes others discomfort, embarrassment, or humiliation, and any harassing conduct, sexually related or otherwise, directed toward an individual because of that individual's sex.

Such conduct is subject to this policy whenever it occurs in a context related to the employment or academic environments, or if it is imposed upon an individual by virtue of an employment or academic relationship. A determination of whether conduct constitutes sexual harassment is dependent upon the totality of the circumstances, including the pervasiveness or severity of the conduct.

**The following examples of conduct may constitute sexual harassment:**

- Unwelcome sexual advances—whether they involve physical touching or not.
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one’s sex life.
- Comment on an individual’s body, comment about an individual’s sexual activity, deficiencies, or prowess.
- Displaying sexually suggestive objects, pictures, or cartoons; this includes resident rooms.
- Unwelcome leering, whistling, brushing against the body, sexual gestures, or suggestive or insulting comments.
- Inquiries into one’s sexual experiences; and
- Discussion of one’s sexual activities.

To constitute sexual harassment, conduct must be unwelcome. Conduct is unwelcome when the person being harassed does not solicit or invite it and regards it as undesirable or offensive. The fact that a person may accept the conduct does not mean that he or she welcomes it.

Educational Housing Services, its employees, and residents also must be aware of the need for freedom of inquiry and openness of discussion in their educational pursuits and must strive to create and maintain an atmosphere of intellectual seriousness and mutual tolerance in which these essential features of academic/resident life can thrive.
