

# MARYMOUNT RESIDENCE

# CODE OF CONDUCT GUIDE

# Health and Safety Agreement

Educational Housing Services is closely monitoring the ongoing COVID-19 situation and taking action to protect the health and well-being of residents and staff. We understand that this is an ever-changing and stressful time. It is our belief that working together collaboratively to implement several CDC-recommended strategies is the most immediate and practical means of slowing and reducing the community spread of the virus. EHS will continue to make policy adjustments and implement additional measures as necessary.

As a resident of the EHS community, I AGREE to take the required actions to protect the health and safety of our housing community during this global pandemic. Furthermore, I recognize my efforts keep me and those with whom I live or share common spaces with safer and healthier. I also acknowledge my failure to practice due diligence and compliance with the guidelines outlined hereafter, not only jeopardizes the health of my fellow residents but are a direct violation of my lease with Educational Housing Services. I acknowledge, by agreeing to adhere to these behavioral changes is the most essential way to reduce the threat of contracting the illness for myself and other members of our housing community.

## By Living in EHS Housing You are Agreeing to the Following:

### 1. Protect Yourself and Others:

- All residents planning to live in EHS housing must be vaccinated before arrival at an EHS residence (there are very limited exceptions). View the full policy here: [EHS Vaccination Policy](#).
- **Residents must wear a face mask/covering in public spaces.** Including: lobbies, hallways, elevators, stairwells, dining/kitchen area, laundry room, lounges and other common spaces.
- Wash your hands with soap and water for at least 20 seconds frequently, especially after being in a public place or after blowing your nose, coughing or sneezing, before touching food, and after using the bathroom. Use hand sanitizer at times when soap and water are not available.
- Avoid touching your face, mouth, eyes or nose.

### 2. Practice Physical/Social Distancing:

- Residents must always limit interactions with others and always follow social distancing requirements — remain six feet away from others. Residents are not permitted to enter resident's rooms other than their assigned living space. To connect with friends or other residents, please video chat, call or text them.
- Minimize touching surfaces in shared areas.
- Residents will NOT host and or attend large gatherings and parties.

- Avoid sharing food, drink, utensils or similar items.
3. **Adhere to the No Guests/Visitors Policy:**
    - No guest of any kind will be permitted in the residence at any time.
  4. **Use the Elevators Accordingly (As Signage Directs):**
    - Each elevator has a capacity limit. Do not exceed that limit.
    - Be patient and allow for enough time to wait for elevators when you must use.
    - Use the stairs rather than share an elevator whenever possible.
  5. **Room Occupancy – Family Unit:**
    - By selecting to live in a double/triple room, I am agreeing to live in ‘Family Unit’ approach to room occupancy. This approach identifies all residents who live in one shared unit as a Family Unit, meaning that **within their shared space** they do not need to follow social distancing guidelines (no face coverings, no need to maintain six feet of distance in the room). It is understood that residents in this arrangement share exposure and are therefore responsible to one another to protect the integrity of their shared space by ensuring that social distancing and other protective measures are followed whenever they are outside the room. This also means that if one resident in the room is identified as being in need of quarantine, all members of the room will be quarantined, together.
  6. **Self-Monitor and Care:**
    - Daily health screening, testing and contact tracing. – Residents must monitor their temperature and participate in any health screening my college and residence require. I will stay in my room if I am sick with COVID-19 symptoms or know that I have been exposed to someone who has tested positive for COVID-19. I will follow protocols for isolation of quarantine.
  7. **NY State Travel Advisory – Quarantine**
    - Governor Andrew M. Cuomo has announced new guidelines for out-of-state travelers to New York. Travelers must continue to fill out the Traveler Health Form. Review the New York Travel Advisory here: <https://coronavirus.health.ny.gov/covid-19-travel-advisory>. Residents must observe the travel advisory procedures. Failure to comply with these procedures, may result in disciplinary measures—including immediate removal from EHS housing without refund. Quarantine procedures can be found here: [EHS - Quarantine Procedures](#).

**Additional measures to minimize the exposure of residents to COVID-19:**

Residents are strongly ENCOURAGED to:

- Get a flu vaccine when available during the fall semester
- Carry hand sanitizer, an extra face covering, and cleaning wipes in my bag/backpack.

- Keep a list of people and locations you visit each week.
- Limit travel and comply with non-essential travel restrictions.
- Bring only essential belongings to the residence.
- In the event of a closure due to COVID-19, there may be limited notice for residents to prepare for a departure from the residence.

Residents are strongly DISCOURAGED from:

- Leaving the residence to visit family and friends. This increases the likelihood of exposure to infectious individuals and locations.
- Entering off-campus/non-college residences, especially if large groups of individuals may be gathering there.

### **What Happens if You Do Not Comply?**

It is important that everyone adhere to these policies for their own well-being and for the well-being of those around -- other residents and staff. Failure to comply with the expectations above will result in disciplinary measures—including immediate removal from EHS housing without refund.

COVID-19 is a highly contagious virus and it is possible to develop, contract and spread the virus even if all the safety precautions above and those recommended by the CDC, local, state and federal health agencies are followed. I understand that although Educational Housing Services is following the coronavirus guidelines issued by the CDC and others, I can never be completely safeguarded from all risk of illness caused by COVID-19. As such, I will do my best to ensure the most favorable outcome.

Thank you for your commitment and cooperation.

# POLICIES

**A**s a resident at Educational Housing Services, you are a guest in our home, and we expect you to act responsibly and appropriately at all times. There are a few important policies that you need to be aware of and abide by to make our community a more pleasant experience for you and everyone else living in our residence. Any violation of these rules, other policies or laws, whether included in this Guide or not, will result in the appropriate [disciplinary sanction](#) by EHS, your school, and possibly the legal authorities.

Living in a community involves learning to use new freedoms wisely and adjusting to a new environment where rules which may be different than ones you are accustomed. Most residents will make this adjustment without difficulty. A few residents are unable or unwilling to do so, and their behavior may interfere with the environment.

It is the responsibility of all our residents to become familiar with the policies in this guide and comply with them. Residents that do not comply with the EHS policies stated in the EHS Code of Conduct Guide and [License Agreement](#) will face disciplinary actions. These sanctions might vary depending on the severity of the violation and are treated on a case by case scenario.

## **ABANDONED PROPERTY**

You will be emailed or telephoned first and if there is no

answer we will knock on your door before entering. You are permitted to only occupy your side of the room at all times.

Any person requesting to live in EHS housing must disclose any such registration requirement. Failure to disclose will result in involuntary removal from EHS housing and forfeiture of any deposit or fees paid for housing.

EHS reserves the right on a case-by-case basis to deny the request of any person to reside in EHS housing or to involuntarily remove any person already admitted to EHS housing due to the conviction of any felony or misdemeanor offense which, in the judgment of the EHS, indicates that the person who has been convicted of such an offense has the potential to disrupt the normal functioning of EHS housing, engage in conduct that may endanger the health or safety of any person residing in EHS housing, including self, or otherwise negatively impact the residential community.

The decision of whether or not to deny the request for EHS housing or remove any person already admitted to EHS housing and the seriousness of the felony or misdemeanor offense or educational institution disciplinary infraction upon which such decision is based is at the sole discretion of the College and is not subject to appeal.

**DEMONSTRATIONS AND RALLIES**

Educational Housing Services believes that members or groups within the EHS community have the right to express their views on a particular issue or cause. Demonstration and rallies, however, should not interfere with the operation of the residence or the institutions it serves. EHS has an obligation to protect the safety and welfare of its residents, staff, and surrounding community. Therefore, demonstrations and rallies must be nonviolent and considerate of the rights of all members of the EHS community. Demonstrations, rallies, and distribution of materials are permissible in properly designated areas, provided the following procedures are complied with:

**PROCEDURE**

- Members of the EHS community (residences and staff) must seek approval to use EHS-designated property and/or facilities for staging a demonstration or rally.
- Advance notice of a demonstration or rally and the expected number of participants as well as what actions the participants intend to take must be submitted in writing by completing the Demonstrations and Rallies form. This form can be requested by emailing [StudentLife@studenthousing.org](mailto:StudentLife@studenthousing.org). This form will be reviewed by the Senior Vice President of Student Life.
- Once approval is granted for a demonstration/rally, individuals organizing the event are responsible for insuring that it is conducted in a responsible manner.
- In order to preserve an atmosphere in which a free exchange of ideas may flourish, it is necessary that standards of behavior be maintained to ensure the safety of all members of the EHS community and the unimpeded operation of the company. Hence, EHS reserves the right to take steps to address inappropriate conduct.
- The location of a demonstration/rally will be clearly defined by the Senior Vice President of Student Life. Participants of a demonstration/rally may not block access to the residence facilities. EHS reserves the right to cordon off these specific sites.
- Educational Housing Services reserves the right to notify the local police in advance of a demonstration/rally. The police may be on call to prevent any infraction of local laws.
- If the demonstration is to be held on the street, the New York Police must be notified and a permit must be secured depending on size of demonstration.
- Only EHS residents may participate.

**Note:** Failure to comply with the above guidelines constitutes a breach of agreement and may lead to the cancellation of any demonstration/rally.

Any exceptions must be made prior.

A resident is only allowed to have up to seven (7) nights of overnight guests per calendar month.

---

## **HARASSMENT AND INTIMIDATION**

Residents living in any EHS residence have the right to live free of intimidation, harassment or bullying. If after an investigation, EHS determines that a resident is harassing, bullying, or intimidating another resident, EHS may take appropriate action to cause such behavior to cease including, without limitation, terminating the License Agreement and right to be in the residence.

### **THREATS AND VIOLENCE**

Do not engage in, or threaten to engage in, any behavior that endangers the health or safety of another person or oneself.

---

## **HEALTH AND SAFETY**

In the event that adequate health and safety standards are not maintained or that the condition of the room discourages roommates, EHS will take [disciplinary action](#). Residents are expected to [clean up](#) after themselves. An inability to do this or any deviation from a reasonable disposal method will result in cleaning fees assessed to the resident in addition to sanctions. EHS reserves the right to enter resident rooms at any time without warning to inspect and assess health and safety conditions.

In order to determine compliance with the rules or with federal, state and local laws and to check for any repairs needed, we conduct Health and Safety Inspections a minimum of once per semester and when there is a reasonable cause to believe that a violation has occurred or is taking place. EHS personnel may obtain evidence while conducting the inspection, which may later be used by the law enforcement agencies in the prosecution of criminal behavior. Please [click here](#) to visit the Health and Safety procedures. Any confiscated item will be donated to local charities or discarded immediately.

If it is found that a resident's room is not up to health and safety standards (i.e. cleanliness, hazardous wiring, etc.) the resident will be given 24 hours to correct. If, upon re-inspection, the room still does not pass, the resident may be fined, face probation sanctions and/or be evicted.

## **SEXUAL HARASSMENT POLICY**

Sexual harassment is prohibited by Title VII of the 1964 federal Civil Rights Act, New York State Human Rights Law and, in some instances, local law (for example, the New York City Administrative Code). Educational Housing Services is committed to the principle that no employee, resident, or applicant for employment should be subject to sexual harassment. Educational Housing Services strives to provide residences, workplaces and learning environments that promote equal opportunity and are free from illegal discriminatory practices, including sexual harassment.

Sexual harassment is a violation of federal and state laws and of Educational Housing Services policy, as is retaliation against any individual who in good faith files a complaint of sexual harassment or cooperates in the investigation of such a complaint. Upon receipt of a complaint of sexual harassment or retaliation, Educational Housing Services will undertake a fair and thorough investigation, with due regard for the rights of all parties. Every reasonable effort will be made to protect the confidentiality of the parties during the investigation. After an investigation, any person who is found to have sexually harassed or retaliated against another will be subject to discipline, up to and including expulsion from a Educational Housing residence and from employment, if an employee of Educational Housing Services. Educational Housing Services does guarantee, however, that credible accusations of inappropriate sexual remarks or actions will be investigated promptly, thoroughly, and fairly. All findings will be turned over to the appropriate authorities for adjudication.

### **DEFINITION OF SEXUAL HARASSMENT**

Sexual harassment is defined as sexual advances, requests for sexual favors, and any other verbal or physical conduct of a sexual nature, whether intentional or unintentional, where:

- an individual's submission to or rejection of the conduct is made, either explicitly or implicitly, a term or condition of employment or of status in a course, program, or activity, or is used as a basis for employment or academic decision; or
- the conduct has the purpose or effect of unreasonably interfering with an individual's work performance, academic performance, or educational experience, or of creating an intimidating, hostile, humiliating, or offensive working, educational, or living environment.

## EXAMPLES OF SEXUAL HARASSMENT

It is not possible to list all circumstances that might constitute sexual harassment. In general, sexual harassment encompasses any sexually related conduct which causes others discomfort, embarrassment, or humiliation, and any harassing conduct, sexually related or otherwise, directed toward an individual because of that individual's sex.

Such conduct is subject to this policy whenever it occurs in a context related to the employment or academic environments, or if it is imposed upon an individual by virtue of an employment or academic relationship. A determination of whether conduct constitutes sexual harassment is dependent upon the totality of the circumstances, including the pervasiveness or severity of the conduct.

### The following examples of conduct may constitute sexual harassment:

- Unwelcome sexual advances—whether they involve physical touching or not;
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life;
- Comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess;
- Displaying sexually suggestive objects, pictures, or cartoons; this includes resident rooms
- Unwelcome leering, whistling, brushing against the body, sexual gestures, or suggestive or insulting comments;
- Inquiries into one's sexual experiences; and
- Discussion of one's sexual activities.

In order to constitute sexual harassment, conduct must be unwelcome. Conduct is unwelcome when the person being harassed does not solicit or invite it and regards it as undesirable or offensive. The fact that a person may accept the conduct does not mean that he or she welcomes it.

Educational Housing Services, its employees, and residents also must be aware of the need for freedom of inquiry and openness of discussion in their educational pursuits and must strive to create and maintain an atmosphere of intellectual seriousness and mutual tolerance in which these essential features of academic/resident life can thrive.
