

ICON[®] SURFACTANT BLEND

Contains nonylphenoxy polyethoxy ethanol, the active ingredient in Agral[®] 90

PRODUCT BENEFITS

- ICON[®] mixes with all types of water. The rate of ICON[®] is indicated for the control product spray mixtures or other uses as listed on the product label.
- Control product spray mixtures, their preparation and uses are to be derived from the individual labels for the control products.

PRODUCT SPECIFICATIONS

Non-ionic liquid wetting and spreading agent

PACKAGING

10 L jugs (x2)

RATE

For glyphosate: 0.35-0.5% V./V.

For desiccants: 0.1%

TANK MIX PARTNERS

For Use With Activol[®], Ambush[®] 500EC, Reglone[®], Touchdown[®] IQ, Reflex[®], and other control products as labelled.

MIXING INSTRUCTIONS

- Do not exceed the recommended rate of ICON[®] particularly with products containing their own wetting agent
- Too much wetting agent can lead to loss of spray due to excessive run-off
- Consult each product label for complete use instructions

ALWAYS READ AND FOLLOW LABEL DIRECTIONS. It is a violation of federal and provincial law to use any pest control product other than in accordance with its label. The distribution, sale and use of an unregistered pest control product is a violation of federal and/or provincial law and is strictly prohibited. We do not guarantee the accuracy of any information provided on this page or which is provided by us in any form. It is your responsibility to confirm prior to purchase and use that a product is labeled for your specific purposes, including, but not limited to, your target crop or pest and its compatibility with other products in a tank mix and that the usage of a product is otherwise consistent with federal, provincial and local laws. We reserve the right to restrict sales on a geographic basis in our sole discretion. You must have a valid applicator license and/or be a certified farmer, to use restricted and commercial pest control products (exceptions may apply based on province). Please consult your applicable provincial authority for complete rules and regulations on licensing, use, and recording keeping requirements of restricted and commercial pest control products.
