POWERTEK

Boron 10%

GUARANTEED ANALYSIS:

Boron (B) 10.0%

Derived from Boric Acid

WARNING: Boron can be toxic to some crops and excessive levels may result in crop injury.

PRODUCT INFORMATION: POWERTEK BORON 10% is formulated for the prevention or correction of boron deficiencies in plants and may be effectively used for both foliar and soil applications. **POWERTEK BORON 10%** is an effective, readily available source of boron for soil and foliar applications during preplant, planting or side-dress operations. **POWERTEK BORON 10%** is non-phytotoxic when used as directed and is compatible with most pesticides and fertilizers. **POWERTEK BORON 10%** will be influenced by differences in varieties, soil and environmental conditions and should be applied under conditions of optimum plant growth. Optimum conditions are defined as adequate humidity, moderate temperatures and adequate soil moisture. Optimum conditions for most crops generally occur during early morning or late evening hours.

FIRST AID: If Inhaled: Remove to fresh air, treat symptomatically. Seek medical attention. **If Swallowed: DO NOT INDUCE VOMITING. DO NOT GIVE LIQUIDS.** Seek immediate medical attention. **If On Skin:** Wash with soap and water. Seek medical attention if irritations persits. **If in Eyes:** Immediately flush with water for 15 to 20 minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical advice / attention.

CAUTION: STOP-READ LABEL BEFORE USING. Harmful if swallowed. If ingested, induce vomiting and call a physician at once. May cause eye irritation. Avoid contact with eyes. In case of contact, flush eyes with water for at least 15 minutes and seek medical attention. Avoid contact with skin. Wash hands after using. Avoid breathing spray mist. Do not store near feed or food products. Do not eat, drink or smoke when using this product. Keep children and domestic animals off treated areas until sprays have dried. If exposed call INFOTRAC 1-800-535-5053 or refer to SDS First Aid section.

NOTICE: Manufacturer warrants that **POWERTEK BORON 10%** conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if POWERTEK BORON 10% is used in any manner or under any condition other than those specifically set forth on the label.

DIRECTIONS FOR USE:

FERTILIZER MIXING INSTRUCTIONS

*Always perform a compatibility (jar) test with all tank mix ingredients.

Mix as follows:

1. Partially fill tank with fertilizer and start agitation
2. Add **POWERTEK BORON 10%** to circulating tank mix
3. Add remaining fertilizer
4. Add other tank mix ingredients (pesticides, nutrients, or additives) after successful compatibility (jar) testing
5. Maintain good agitation throughout the tank mix

FOLIAR SPRAY MIXING INSTRUCTIONS:

*Always perform a compatibility (jar) test with all tank mix ingredients.

1. Fill spray tank two thrids full allowing 10-20 gallons of spray solution per acre
2. Buffer water to pH 4.5 - 5.5 using a buffering agent
3. Add **POWERTEK BORON 10%** and mix thoroughly
4. If using dry boron or other dry products add these next
5. Add water-based products next
6. Add EC-based products last
7. Maintain good agitation throughout the tank mix

ROW APPLICATION:

Use at the rate of 1 to 2 quarts per acre. Apply in a band at planting time with liquid fertilizer, knifed in preplant, or at sidedressing, as a supplement to broadcast applications. DO NOT apply in direct contact with seed.

FOLIAR APPLICATION:

Use at a rate of 1-2 quarts per acre. Boron is not mobile in the plant, multiple applications at low rates are most effective. DO NOT apply more than 2 quarts of POWERTEK BORON 10% in any one spray application.

WARNING:
KEEP OUT OF REACH OF CHILDREN

CAUTION: Harmful if swallowed.
Avoid contact with eyes, skin, and clothing.
Avoid breathing spray mist.
