

SOMADERM[®] CBD

PRODUCT INFORMATION PAGE

Introduction

SomaDerm[®]+ CBD is your solution to help with discomfort, inflammation, and stress!

SomaDerm + CBD is designed to deliver both systemic and targeted benefits. From pain and anti-inflammatory support benefits to helping you deal with daily stress; this revolutionary product provides the support you need when you need it. Built for a wide variety of users, SomaDerm + CBD supports those who experience both frequent and occasional discomfort and stress. Everyone can benefit from this hormone-based solution, that works as a companion product to SomaDerm.

SomaDerm + CBD's multi-faceted approach to leveraging the power of hormones empowers these broad-spectrum benefits as the only product on the market with these unique features.

SomaDerm + CBD is your hormone based anti-inflammatory support that delivers fast-acting targeted benefits that may help with long-term relief!

Stop just "dealing" with pain, discomfort, inflammation, and stress, and REDEFINE your lifestyle with SomaDerm + CBD!

When used daily, key ingredients in SomaDerm + CBD may:

- Support targeted pain relief • Support systemic pain relief • Help reduce discomfort
- Provide anti-inflammatory support • Support mood • Promote relaxation
- Improve mental cognition & clarity • Support the body's stress response
- Support management of anxious feelings • Increase endogenous HGH up to 800%
- Improve length and quality of sleep • Improve bone and joint health
- Increase lean muscle and reduce fat • Improve sexual vitality • Support overall hormone balance

What Makes SomaDerm + CBD Unique?

As The Hormone Health Company™, we create solutions that provide answers to support the way we age. In this case, "aging" is broadly addressed through systemic inflammatory balance, stress response support, and targeted pain relief.

SomaDerm + CBD is the only product on the market that contains ingredients that are designed to provide targeted pain relief, anti-inflammatory relief, and systemic hormone support in relation to pain, stress, and inflammation.

Key Unique aspects of SomaDerm + CBD:

- | Non-psychoactive
- | Contains full spectrum CBD
- | Contains over 100 cannabinoids
- | Certified organic
- | Non-GMO

Powered by SomaTech™, New U Life's proprietary technology is represented in the ingredients that cause the modulation of hormones and the optimization of the endocrine system, enabling you to function at optimal levels.

How Does SomaDerm + CBD Fit with SomaDerm?

SomaDerm + CBD is everything you love about SomaDerm, plus more! What can you expect using this innovative new product in addition to SomaDerm? SomaDerm + CBD is used on areas that are experiencing discomfort to deliver effective, targeted benefits. These benefits come in addition to your daily usage of SomaDerm. SomaDerm is designed as your primary source of hormone health and balance. With SomaDerm + CBD, you can look forward to the additional benefits like systemic anti-inflammatory support as well as hormone-based pain and stress relief.

Who Can Use This Product?

Anyone age 18 or older who is looking to relieve pain from a systemic hormone balance approach, targeted pain relief, and overall hormone health. People under the age of 18 should not use this product.
