

Nurse

I can help you breathe better if I can use suction

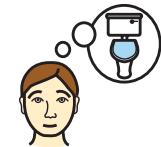

I need to turn you so that you do not get a bed sore

Do you want me to call your family?

Do you need the toilet?

I need to give you mouth care

I need to give you your medicine

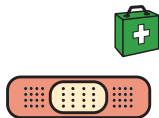

Are you feeling hot?

Are you feeling cold?

I need to change your dressings

Do you want a drink?

Are you feeling sick?

Are you feeling tired?
