#### Welcome to Ruminati

The Lachlan Hughes Foundation is excited to announce their collaboration with Ruminati, a leading Australian ag-tech service provider dedicated to helping producers across Australia track and manage their emissions.

With reporting emissions and reduction strategies fast becoming the industry standard, the achian Hughes Foundation wants to give their program participants access to the most efficient missions tracking tools on the market. Ruminati's streamlined platform aligns with the GAF tools ind best practice, helping you stand out and get ahead of upcoming regulations and market lemands.

As part of this collaboration, the Lachlan Hughes Foundation are offering 1 year of access to the Ruminati PRIME platform (valued at \$600 + GST) at no direct cost to their program participants.

## LOCATE YOUR PROPERTY

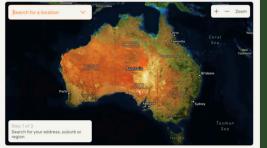

Use the interactive map to locate your property:

- Enter your address to find your location and click on parcels of land.
- Use the drawing tool to edit any boundaries.

#### O Note: Don't worry if you can't get the boundary exactly correct - an approximation is sufficient.

Already have a map file for your farm?
