

SMART CONTROL LANDSCAPE LIGHTING

Control your lights from anywhere

KICHLER

Making landscape lighting smarter & easier

We now offer two Smart Control landscape products, the Smart Control Transformer and Smart Control Timer. These products give homeowners the freedom to schedule and control their landscape lighting right from their smart device using the **Kichler Connects™ app**.

Easy to install and use, these Smart Control products can be used alone or paired together and are compatible to work with other low-voltage landscape lighting.

Smart Control Transformer 300W

Our 300W low-voltage Smart Control Transformer offers you the flexibility to design and schedule up to three separate lighting zones, so your customers can customize and control the areas they want to illuminate, all with the **Kichler Connects app**.

PRODUCT ORDERING INFO

SKU # and Finish	15SCT300SS
Dimensions	7.4"W x 6"D x 13.78"H

Housing backed by our lifetime limited warranty. Visit [Kichler.com/Warranty](https://www.kichler.com/Warranty) for details.

Electronics backed by our 5 year limited warranty. Visit [Kichler.com/Warranty](https://www.kichler.com/Warranty) for details.

Example of how to set up and control up to 3 zones per Smart Control Transformer

Set up and schedule three independently controlled zones, all from one transformer. Connect multiple Smart Control Transformers for even more zoning options.

Monitor electrical load by zone and automatic fault detection for easy troubleshooting.

-  Zone 1 Driveway/Walkway
-  Zone 2 House
-  Zone 3 Landscape

Smart Control Transformer Features

Flexibility to design and schedule up to 3 separate lighting zones.

Pair multiple transformers for lighting design flexibility.

Utilizes Wi-Fi® connectivity.

Manual mode for easy contractor set-up.

Includes dusk to dawn astronomical timer with Kichler Connects app.

Compatible with Kichler and other low voltage landscape lighting.

Angled terminal blocks for easier wire connections.

Heavy duty, stainless steel construction to withstand the elements.

W **Wet-rated** for outdoor use.

Kichler Connects

App Features	Smart Control Transformer	Smart Control Timer
Independently control 3 separate zones for each Smart Control Transformer	Yes	-
Set custom schedules per zone and per day	Yes	-
Built in diagnostics shows load and fault notices per zone	Yes	-
Create custom schedules per day or select from preset schedules to align with dusk and dawn and the changing seasons	Yes	Yes
Pair multiple smart products within the app	Yes	Yes
On-board memory to control lights even if Wi-Fi connection is interrupted	Yes	Yes
Voice control via Amazon® Alexa® or Google Home®	Yes	Yes
Usage share for multiple family members	Yes	Yes

Smart Control Timer

Compact and easy to install, the Smart Control Timer works with the **Kichler Connects™ app** – allowing users to utilize and control preset lighting schedules or create custom schedules. Plus, the unique external antenna allows for long-range connectivity by extending the signal range from the transformer enclosure, supporting strong performance in more applications.

PRODUCT ORDERING INFO

SKU # and Finish	16085BK
Dimensions	2.27"W x 2.25"L x 3.94"H

Backed by our 5 year limited warranty. Visit Kichler.com/Warranty for details.

Smart Control Timer Features

External Antenna increases range of signal outside of the enclosure.

Easy installation plugs directly into the transformer. Ideal for use indoors or in outdoor enclosures.

Pair multiple timers for lighting design flexibility.

Kichler Connects app digitally controls the Smart Control Timer, available for iOS and Android.

Utilizes Wi-Fi connectivity.

Includes dusk to dawn astronomical timer with Kichler Connects app.

Compatible with Kichler and other low voltage transformers (see chart).

D **Damp-rated** for use inside a transformer.

Installation as easy as...

1

PLUG IT IN

Plug the Smart Control Timer into the transformer and download the Kichler Connects app. Make sure Wi-Fi is turned on and the router is in range.

2

OPEN THE APP

Open the Kichler Connects app and follow the prompts to set up your device. Enter your Wi-Fi password by selecting the 2.4GHz channel.

3

TURN ON LIGHTS

Tap the Power On/Off to control your landscape lighting or select from preset schedules. You can also ask your smart devices to do it for you.
