### CALGARY STAMPEDE

The Calgary Stampede has existed as an iconic symbol of volunteerism, community spirit and Western values for more than 100 years. As a not-for-profit community organization supported by over 2,500 passionate volunteers, the Calgary Stampede is proud to present year-round events, programs and initiatives that invest in youth, showcase agriculture, celebrate Western heritage, and make a lasting economic impact in our city. More than 1.4 million people experience the Calgary Stampede each year.

### WINE PROGRAMMING

The Calgary Stampede is proud to produce a series of highly respected, world-class events and experiences that celebrate the best in Canadian and international viticulture. Through these events, we recognize the importance of wine as an agricultural product and celebrate the best in the Agri-Food and Beverage industry.

#### STAMPEDE CELLAR SHOWDOWN INTERNATIONAL WINE COMPETITION MARCH 1-3, 2025

The Stampede Cellar Showdown is an annual event created to highlight and enhance the Stampede's Agri-Food Vision and become part of the Calgary Stampede's year-round engagement with producers, industry, and consumers. The competition is open to Canadian and international producers who make wine that is available for retail to consumers in Alberta. The Stampede Cellar Showdown will uphold the standards of a world-class wine competition with highly respected officials and a sound competition format to guarantee that integrity and quality are prioritized.

#### STAMPEDE CELLAR CHAMPION WINE EXPERIENCE JULY 4-13, 2025

The Stampede Cellar Champion Wine Experience is located in the Champion Ballroom of the newly expanded BMO Centre on Stampede Park. During our annual 10-day festival in July, the winning wines from the Stampede Cellar Showdown held in March of the same calendar year will be served in this new, alluring venue. Calgary Stampede guests can sit, sip and snack in this unique environment while being introduced to our Calgary Stampede champion wines.

#### STAMPEDE CELLAR UNCORKED MAY 31, 2025

This is a ticketed event for wine and food enthusiasts to taste the top wines from the Stampede Cellar Showdown and food items representative of Alberta's agriculture industry that are prepared by the best local restaurants. Participating restaurants' "bites" will be evaluated by guest judges and attendees to be recognized as the champion in various categories. Wine for this event will be selected from the list of winners of the Stampede Cellar Showdown, with representatives from winning wineries invited to present their products to the public.

#### STAMPEDE CELLAR MASTERCLASS SERIES JULY 4-13, 2025

Planning is in the early stages for a series of wine tastings and classes that will highlight the Stampede Cellar Showdown Champions during our 10-day festival. Watch our web page for more information!

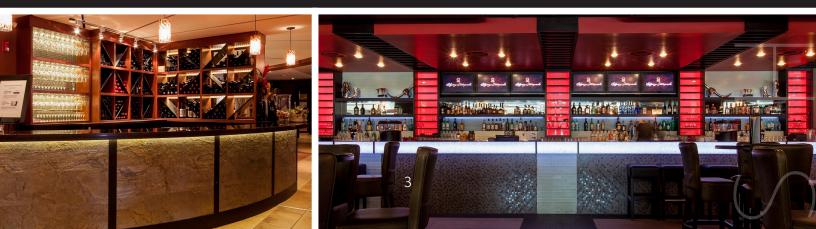

# WHY SHOULD YOU ENTER THE STAMPEDE CELLAR SHOWDOWN?

#### ENTER FOR THE OPPORTUNITY TO:

- Be part of the Stampede Cellar Showdown, a world-class international wine competition adjudicated by local and internationally recognized officials, with a trusted and reliable competition format to prove the quality of your product!
- Have your wine named the Calgary Stampede Champion. This distinction comes with prizes befitting a Stampede Champion including bronze trophy sculptures and belt buckles.
- Be featured at the Calgary Stampede's hottest kick-off party, Stampede Cellar Uncorked.
- Be featured at the Stampede Cellar Champion Wine Experience, the most attractive food & beverage venue on Stampede Park from July 4-13, 2025.
- Have your wine celebrated in select Calgary Stampede venues such as ranahans, The Lazy S, Bar Nineteen Twelve, 30X Saloon, The Big Four Roadhouse, and Western Oasis.
- Showcase your wines at year-round Calgary Stampede events.
- Leverage Stampede Cellar Championship branding in retail point of purchase and restaurant environments through exclusive marketing packages provided by the Calgary Stampede.
- Play a part in the important conversations and education about primary agricultural production and the process of turning grapes into glasses of wines for consumers to enjoy.
- Promote your wines to external clients that use the BMO Centre, western Canada's largest convention centre, for their corporate and special events.

### ENTRY DETAILS

- Entries for all competing wines are to be submitted through the competition entry link at calgarystampede.com/wine.
- Entrants will pay entry fees by credit card through an invoice issued by the Calgary Stampede Agriculture office after an entry is received.
- Entries are not official until full payment has been cleared. Both entry fees and entry forms must be received before the entry deadline to participate in the competition. Entry fees are non-refundable.
- The maximum number of entries accepted for the 2025 competition will be capped at 1,500. This will be determined by date and time stamps via the online entry system. There is no limit on the number of wines an entrant may submit (unless the maximum number of entries is reached prior to your submission).
- No wine may be entered more than once in the same year, even if it is marketed under different labels. However, different vintages of the same wine may be entered.
- The Stampede Cellar Showdown may require any wine receiving an award be verified by a qualified representative of the Calgary Stampede, who shall determine all entry requirements have been met, including the availability to the Alberta public in commercial quantities.

# The following Entry Requirements must be met by all entries competing in the Stampede Cellar Showdown:

- 1. Wine must currently be distributed on and off premise in the province of Alberta by a licensed wholesale distributor. Wines entering the competition may be produced anywhere in the world. Types of products eligible for entry include still wines, sparkling wines, fortified wines, fruit wines and mead.
- 2. Winery must have a designated, licensed Canadian distributor or be self-distributed by a Canadian winery.
- 3. All wine entries must be registered with the AGLC (a valid label registration).
- 4. The specific vintage of all wine entries must be commercially available in the Alberta marketplace at or near the suggested wholesale price listed on the entry form, both at the time of entry and during Stampede 2025 (July 4-13). The Calgary Stampede reserves the right to adjust the price of a bottle smaller or larger than a standard 750 ml bottle to compete fairly with other wines in that price range.
- 5. All wine entered must be registered in Alberta and a receipt of purchase in Alberta must be provided to the Stampede on delivery.

### PARTICIPATION GUIDELINES

It is the responsibility of the entrant to ensure all requirements have been met. *Incomplete entries will not be refunded.* 

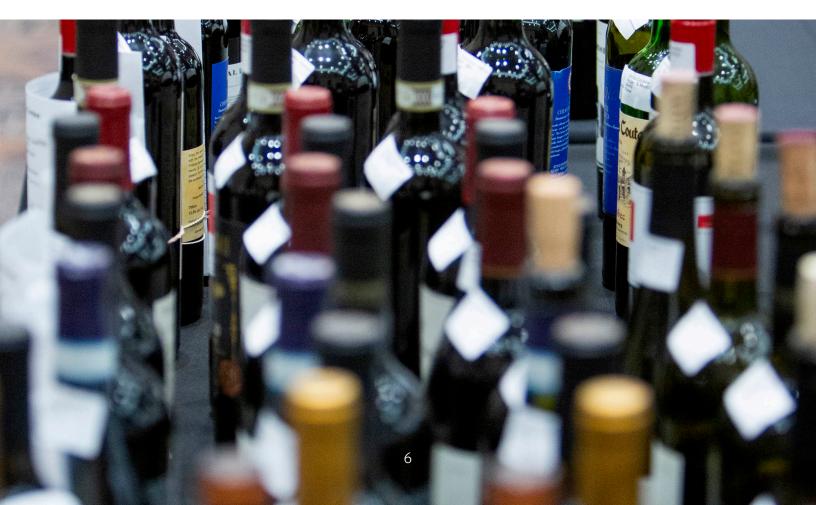

- 1 A fully completed entry form including all applicable wine information must be submitted through the online entry system by the specified deadline. Entry fee(s) must be paid in full before the entry is officially recognized by the Calgary Stampede.
- 2 Required samples must be received at Stampede Park within the specified delivery timeframe. The required samples include four bottles of 750 ml wine, four bottles of 375 ml wine, eight bottles of 200 ml wine or six 355 ml cans. It is important to send one container of wine for each day of the competition so that fresh samples can be served to each judging panel, with one extra container available in the event that a bottle or can is unusable. Please direct inquiries about sample size requirements to wine@calgarystampede.com. Only entries in bottles, cans, or sealed bag in a box format will be accepted. Kegs are not accepted for judging.
- 3 All wines entered in the competition should have stock available for potential inclusion on Calgary Stampede wine lists for feature during Stampede 2025 and throughout the year. Please note that, year-round wine offering opportunities (including the 10 days of Stampede) will be primarily granted to the winning wines, however placement of wine will be at the Calgary Stampede's discretion to optimize the producers' benefits.
- 4. Wines that are successful at the Stampede Cellar Showdown are asked to participate in Stampede Cellar Uncorked on May 31, 2025. This includes the Grand Champion, Reserve Grand Champion, and all Top Award winners in addition to Double Gold and Gold medal recipients. The suppliers with winning wines will be required to cover the cost of two cases of product. The product to be poured will be purchased by Calgary Stampede and invoiced to the winery/ agent at cost price as per AGLC mandated requirements. Participation in Uncorked is not mandatory, but strongly encouraged for all winners as this opportunity will be incredibly beneficial to the winning wines.

### SHIPPING & DELIVERY

- Wine deliveries to the Calgary Stampede are accepted from January 20, 2025 to February 21, 2025. A shipping package with detailed instructions will be provided once the Calgary Stampede begins accepting samples on January 20, 2025.
- All wine entered must be registered in Alberta and a receipt of purchase in Alberta must be provided to the Stampede on delivery.
- Please ship all four bottles (or volume required by sample size) associated with one entry in the same box. More than one entry may be packaged in a single box, provided all bottles for each individual entry are in the same box. Ensure that an identification label is fixed to each bottle with an elastic band. If you have more than four bottles to submit as a single entry (355ml cans or 375ml bottles), please print duplicates of your labels.
- Please mark multiple box shipments with box numbers and total boxes shipped (i.e., "Box one of four boxes," "Box two of four boxes," etc.).
- Please note that neither the Calgary Stampede nor its designees shall be responsible for any loss or damages which occur during shipment or delivery.
- The Calgary Stampede may refuse all entries that arrive before January 20, 2025 or after February 21, 2025.

### JUDGING er AWARDS

The competition judges will be drawn from the supplier, wholesale, retail, and restaurant branches of the wine industry from the local, national, and international levels, as well as from members of the press and a select group of the most avid and knowledgeable local consumers. Judges are selected based on their credentials, as well as their overall knowledge and reputation within the local and national wine community; and at the sole discretion of the Stampede Cellar Showdown management. Superintendents and umpires will also be appointed to ensure the accuracy and integrity of the competition.

#### CLASSES

All wines will be divided into their respective classes and tasted by the same panel of judges. As needed, larger classes will be separated by suggested wholesale pricing or other criteria at the discretion of the Stampede Cellar Showdown to help the wines best compete against similar entries in the judging and scoring process. The Stampede Cellar Showdown reserves the right to combine classes dependent on entries.

#### FLIGHTS

Wines will be served in flights of 12 with the exception of the Super Panel. A judge's task is to taste, evaluate and rate each wine in the flight assigned to their panel.

#### PANEL DISCUSSIONS

Judges within the panel may discuss wines within each flight to help evaluate the wines and develop more accurate assessments as a collective. Each judge will individually score each wine in the flight as Double Gold, Gold, Silver, Bronze or No Medal. The Panel Lead will facilitate the discussion with the other panel judges and a conclusive decision will be made.

#### **RE-POUR**

In the event a bottle served may be deemed unacceptable (i.e., corked, or other fault), the judges may request a re-pour. In the event all remaining samples of a wine are flawed, the wine will result in a no medal.

#### FINAL RULING

If the panels have any problems with or questions about the wines they are tasting, the panel will call in the Wine Competition Superintendent and he/she will rule on the question or dispute. The Superintendent's rulings are final. This may be the course of action taken if the panel identifies a flawed wine.

# THE COMPETITION JUDGING WILL BE SPLIT INTO THREE PHASES:

#### phase one MEDAL ROUND

During the first round of the competition, each of the wines entered will be initially tasted by one of the multiple panels of five judges. The wines will be served in flights of no more than 12 wines. The wines will be grouped by the competition class which is determined by colour, grape, region, style, vintage and price. The judges will consider each wine in the flight and decide whether the entry deserve Double Gold, Gold, Silver, Bronze or No Medal. The lead judge in each panel will facilitate the discussion and ultimately determine each wine's medal status following the panel's collaboration. Wines awarded at least a Gold medal in Phase One will advance to Phase Two – Double Gold Round to have its medal status confirmed by a second judging panel. Wines that receive a Silver, Bronze or No Medal distinction in Phase One will not be eligible to continue on in the competition. Their award designation is final. However, Silver medal wines may be in contention for a Top Award if they are the favourite in their category. Ties between two Silver medal wines will need to be broken to confirm the Top Award recipient.

#### PHASE TWO DOUBLE GOLD ROUND

All entries awarded at least a Gold medal are re-flighted and tasted by a new panel of judges. The judges are not aware of the wines' result from Phase One. The tasting process is repeated, and the judges award their own rating to each wine. Any wine that receives a Double Gold medal will advance to Phase Three – Champion Round. The medal designation each wine receives in Phase Two replaces it's Phase One result. This second tasting provides confirmation that an entry is deserving of the medal it received in Phase One of the competition.

If a wine was awarded a Gold medal in Phase One, the judges in Phase Two may lower the wine's award to a Silver medal instead. Conversely, the judges may elevate a Gold medal wine to a Double Gold medal and the wine will advance to Phase Three. If a Gold medal wine re-tasted in Phase Two is awarded a rating consistent with its Phase One result, it will be confirmed as a Gold medal wine and will not be tasted again in Phase Three.

#### PHASE THREE CHAMPION ROUND

All entries awarded a Double Gold medal following Phase Two will advance to Phase Three. They will be re-flighted and tasted by a Super Panel of judges. Wines can either be demoted to a Gold or remain a Double Gold in Phase Three.

The Super Panel's favourite wines in Phase Three will be named the Stampede Cellar Showdown Grand Champion and Reserve Grand Champion, respectively. If two wines in contention for the same award are rated identically, the judges must arbitrarily break the tie. The judges' decision to choose one wine over another to break a tie must be accompanied by a written explanation as the wines will continue to have the same rating at the conclusion of the competition.

After the Champion Round, the Super Panel will be assigned the task of breaking any ties for wines in contention for a Top Award. To be eligible for a Top Award a wine must have received at least a Silver medal and be the favourite in its category or award group. Any ties between two eligible wines with identical rating will be arbitrarily broken by the Super Panel. A written explanation must accompany the decision to break each tie for Top Awards. A list of all Top Awards can be found in the Appendix of this document.

# LEGAL GUIDELINES

#### FORCE MAJEURE

The Calgary Stampede shall be entitled to terminate this agreement immediately and without notice in the instance of a "Force Majeure Event". A Force Majeure Event is defined as one or more of the following causes that renders the competition impossible, impracticable, ruinous, or unsafe: death, illness or serious injury to participants; fire; flood; acts of war; threat(s) or act(s) of terrorism; riot(s) or other form(s) of civil disorder in or around, or near the venue; strike, lockout, or other forms of labor difficulties; any act, order, rule, or regulation of any court, government agency, regulatory body, health authority, or public authority; act of god; absence of power or other essential service; failure of technical facilities; pandemic; epidemic; public health emergency; communicable disease outbreak; closing of borders to travel; and/or any similar or dissimilar cause beyond the Calgary Stampede's reasonable control.

#### WINE SAMPLES

In the event of an unexpected closure, or inability to host the Stampede Cellar Showdown International Wine Competition, wine samples received to date will remain in the custody of the Calgary Stampede.

#### LEGAL AND ENFORCEMENT SUMMARY

The Calgary Stampede reserves the final, absolute right to interpret rules and regulations and to settle and determine all matters, questions, or differences in regard thereto, or otherwise arising out of, connected with, or incident to the Calgary Stampede. It further reserves the right to determine unforeseen matters not covered by these rules and to amend or add to these rules as in its judgment it may determine necessary.

# WHAT DOES A MEDAL MEAN FOR YOU?

Medals are awarded to participating wines as recognition of their own merit. Physical medals and marketing packages with strategically designed artwork will be available to all wines awarded a medal during the Stampede Cellar Showdown. These marketing tools may be used by successful entrants to leverage interest in retail and restaurant environments.

#### EACH WINERY ENTERING THE STAMPEDE CELLAR SHOWDOWN CONSENTS TO ABIDE BY THE FOLLOWING RULES THAT GOVERN THE USE OF THE COMPETITION RESULTS FOR ADVERTISING PURPOSES:

- The winery agrees to refrain from any misleading advertising or labeling regarding any award which may be granted for this wine.
- The winery agrees that it will not represent any wine as being identical to the award-winning wine unless it is.

In the event of misleading advertising by an award-winning entrant relative to a particular award or awards, the Calgary Stampede, at its discretion, reserves the right to disqualify both the offending wine and the responsible winery from this and future competitions.

### CONTACT INFORMATION

Please direct any questions or concerns to the Calgary Stampede Agriculture and Western Events office by email (wine@calgarystampede.com) or phone (403-261-0162).
