

We are pleased to announce...

On April 4, 2022, FISH of Vancouver will open its new shopping-style Food Pantry! Families and individuals in need of food can shop weekly for fresh produce and other perishable items and monthly for staples. We will open Monday through Friday, 10 am to 2 pm and 10 am to noon on the fourth Saturday of the month. Shopping carts will be available for in-pantry use.

And coming this Spring, FISH of Vancouver will be operating its new FISH on the Move Mobile Food Pantry, a well-equipped truck that will travel to specific locations for food distribution of perishables and staples. Stay tuned for more information!

We are delighted to offer these choices for any Washington State residents declaring need.
